Fathering Your Toddler: A Dad's Guide To The Second And Third Years Armin A. Brott, 2005-04-15. At what age should you introduce your child to computers? When and how should you go about drawing up a will? The day your child starts preschool, how will you cope with the pangs of adult separation anxiety? The answers to these questions and hundreds more are found in the pages of this information-packed volume. Author Armin Brott devotes a chapter to every three months of the second and third years.
