Dude's Book of Testimonies Alfred Ryals, 2022-01-07 This is a book of short stories based upon my real life testimonies I wrote some of them as stories and others as questions that I have had and answers that I received from Yah I've had problems speaking in church and in public because I sometimes stammer and stutter when I speak which makes me ashamed to give my testimonies verbally So I decided that if I wanted others to hear my testimonies I need to write them and have others read them or read aloud I often read these stories Even though these events happened in my life they still give me hope and a feeling of joy because I know my redeemer lives Peace love and patience

Studies in Temporal Urbanism Fabian Neuhaus, 2011-08-04 This book is very much about what the name urbanTick literally says about the ticking of the urban the urban as we experience it everyday on the bus in the park or between buildings It is about the big orchestrated mass migration of commuters the seasonal blossoms of the trees along the walkway and the frequency of the stamping rubbish eater trucks It is also not to forget about climate infrastructure opening hours term times parking meters time tables growing shadows and moon light But most of all it is about how all this is experienced by citizens on a daily basis and how they navigate within this complex structure of patterns The content of this book is based on the content of the urbanTick blog between 2008-2010 One year blogging about this topic brought together a large collection of different aspects and thoughts It is not at all a conclusive view the opposite might be the case it is an exploratory work in progress while trying to capture as many facets of the topic as possible
