Support Pack | Grade 11

## Geography

**Geomorphology – geographical skills and techniques**

This support pack for *Our Communities* provides a range of resources to assist with the preparation for the required practical work in *Our Communities* for the senior CAPS subject content. Geomorphological investigations conducted in the field will be followed by using the data to create a geomorphological cross-section and profile. Through these investigations and the use of the Senior Practical Pack for this topic, all the skills and techniques required to achieve the outcomes listed below are provided for the practical investigation. This document is intended as a guide for the practical investigation and is not intended to be used as a substitute for the practical investigation itself.

For further information, please visit the Study & Master CAPS support pack website at [www.brighterthinking.co.za](http://www.brighterthinking.co.za), or visit our website for more information, please visit [www.brighterthinking.co.za](http://www.brighterthinking.co.za).
