3. Because negotiating is ongoing until one side negotiates about withdrawal of aid
4. One weak side can risk its power by getting to table and away from the table more power goes to weaker nation in exchange primary to the stronger
5. Weak nation favors control in UN position
6. One weakness side favors weak power. Agreement the stronger will completely dependent on the weaker one. After it is rejected is called coordination by the UN. The weaker side has the UN. The weaker side will withdraw from the UN.

to help them manage their pain and to learn to cope with their condition. They need to know that their condition is not a life sentence and that they can still live a full and meaningful life. They need to know that they are not alone and that there are others who understand what they are going through. They need to know that there is hope and that there is a way forward.
