POPULAR TALES OF THE WEST HIGHLANDS Vol. 1

Anon E Mouse, 2009 This second volume of Tales of the West Highlands contains thirty ursgeuln or tales fifty riddles plus a few extra stories As always these are tales and stories in which something Fairy or magical occurs something extraordinary fairies giants dwarfs princes princesses kings and queens speaking animals and the remarkable stupidity of some of the characters But these aren t just a collection of amusing and entertaining stories Just 20 years after the Elementary Education Act of 1870 these are the tales that were still being used in those far flung reaches of the Highlands to teach the young the lessons of life Also included are Seanachas those old Highland stories which in their telling resemble no others whose origins are lost in the mists of the Highlands if not the midst of time So take some time out and travel back to a period before

television and radio a time when tales were passed on orally at the drying kilns at the communal well or in homes where families would gather around a crackling and spitting hearth and granddad or grandma or uncle or auntie would delight and captivate the gathering with stories passed on to them from their parents and grandparents from time immemorial A proportion of the profit from the sale of this book will be donated towards the education of the underprivileged in Scotland

Dragon's Maiden (Dragon Paranormal Romance, Free Ebook) Michelle Fox,2023-08-19 Alana was just like any other maiden waiting for her dragon to come until Queen Elizabeth decrees that dragons and maidens in Scotland shall be destroyed Now instead of flirting with dragons in search of her mate Alana is running for her life Disguised as a nun Alana hides in a convent watching as her future burns to ashes but just when she thinks all the dragons are gone a dangerous and destructive one strikes laying waste to both the convent and her hopes The maiden has finally been claimed yet her captor is far from the dragon of her dreams Her descent into danger has just begun but unbeknownst to her Alana's quest for her true mate has too A paranormal romance novella with a very different very historically inaccurate take on Queen Elizabeth I and her rivalry with Queen Mary during the Enlightenment of the Renaissance Here be dragons **Bulletin of the New York Public Library** New York Public Library,1914 Includes its Report 1896 19 **Manuscript Sources for the History of Irish Civilisation** National Library of Ireland,1965 **Literature of the Highlands** Magnus Maclean,1904
