Hipaa Privacy Compliance Guide

Balser Group

Hipaa Privacy Compliance Guide:

HIPAA Patient Privacy Compliance Guide Frances Fernald, 2001 **HIPAA Plain & Simple** Carolyn P. Hartley, Edward Douglass Jones, 2004 HIPAA Plain and Simple demystifies the complex HIPAA regulations for those in the medical office who have direct patient contact or are responsible for safeguarding patient information. It is written by HIPAA authorities in plain language so that everyone in the office from new employees to the receptionist to the physician's management team will understand what it means to be HIPAA compliant and how to achieve compliance. Features include a description and analysis of HIPAA components including the final security rule charts, graphs, and timelines at a glance, lists easy to understand procedures, scenarios for discussion, a month by month HIPAA training program, and an internal and external HIPAA communications plan.

The Practical Guide to HIPAA Privacy and Security Compliance Rebecca Herold, Kevin Beaver, 2003-11-24 HIPAA is very complex. So are the privacy and security initiatives that must occur to reach and maintain HIPAA compliance. Organizations need a quick, concise reference in order to meet HIPAA requirements and maintain ongoing compliance. *The Practical Guide to HIPAA Privacy and Security Compliance* is a one-stop resource for real-world HIPAA.

The Practical Guide to HIPAA Privacy and Security Compliance, Second Edition Rebecca Herold, Kevin Beaver, 2014-10-20 Following in the footsteps of its bestselling predecessor *The Practical Guide to HIPAA Privacy and Security Compliance, Second Edition* is a one-stop, up-to-date resource on Health Insurance Portability and Accountability Act (HIPAA) privacy and security, including details on the HITECH Act, the 2013 Omnibus Rule, and the pending rules. Updated and revised with several new sections, this edition defines what HIPAA is, what it requires, and what you need to do to achieve compliance. The book provides an easy-to-understand overview of HIPAA privacy and security rules and compliance tasks. Supplying authoritative insights into real-world HIPAA privacy and security issues, it summarizes the analysis, training, and technology needed to properly plan and implement privacy and security policies, training, and an overall program to manage information risks. Instead of focusing on technical jargon, the book spells out what your organization must do to achieve and maintain compliance requirements on an ongoing basis.

HIPAA Privacy Essentials Privacy Council, Incorporated, 2002-09
