Thomas I.,2018-06-06 Today's choices are tomorrow's results Nothing in life is easy but with the right choices we can make things easier In psychology the way we think dictates how we feel which dictates how we act If someone wants to change their actions they must first change how they think I believe everything in life can be looked at as a game People play games to win not just to participate When a person plays a game they began to access the creativity in their minds looking for that avenue of victory Every game has a route to success just like everything in life The only issue is that not everyone knows what it takes to be a winner An individual's character is based on the following learned behaviors and beliefs experiences gut feelings and stereotypes Therefore we are all products of our everyday learning The good thing is that we all are surrounded with people in our lives who have been through the games that many of us are involved in today Although those individuals may not have made all the right choices they can provide insight to the difficulties we face Older people are not perfect but they are people who've experienced the many games that life brings therefore their insight should be looked at as a blessing toward our choices
