Something that's almost never covered in fantasy mediums is common names.

Like we all know fantasy names are unusual, but any name to a foreign culture is considered unusual. English names to Indian people are very unusual for example. But naturally, given that it's an entire culture, there will be some common names, it'd be refreshing to at one point have this exchange.

"So I was talking to Vicnae and-"

"Wait which Vicnae? You can't just say Vicnae. There are ten Vicnae's in my village alone."

pervocracy

This is also a great excuse to use "X the Y" or "X of Y" type names without being pretentious. Calling someone "Thognor The Stout" goes from pomposity to practicality if he lives down the road from Thognor The Small.
