

7 STEPS TO MOTIVATE YOUR CHILD

by Big Life Journal

1

Help your child discover their passions

Invite your child to create a DREAM BOARD where they can post images and text that remind them of what they want.

2

Help them set goals

Help them connect the dots between their vision of the future (their dream board) and the goals that will get them there.

3

Encourage independent thinking

Let them choose their dreams and goals without intervening. Let them decide on HOW they're going to reach their goals.

4

Collaborate

Join your child in the creation of a dream board or goal ladders. You can also invite their siblings and/or friends to join.

5

Do not hover

Instead of micromanaging, let them work independently, and be available for help and feedback when they ask for it.

6

Make them the teachers

Encourage them to teach a younger sibling or a friend how to make a dream board or a goal ladder.

7

Hold the rewards, instead reflect back

When they reach a goal instead of giving a reward, encourage them to reflect on how the accomplishment of a goal has helped them grow as a person.
