

The background of the book cover is a dark, atmospheric photograph of a city street at night. The street is wet and reflects the ambient light. In the distance, a bright light source, possibly a fire or a large explosion, illuminates the scene. Two figures, an adult and a child, are walking away from the viewer towards the light. The overall mood is mysterious and suspenseful.

Last Man Standing English Edition:

Before 30 (English Version) Philip Mantofa, Sianne Ribkah, 2023-02-24 God has always used youth He has always called on the young to be witnesses of His glory This generation is no exception Before 30 is a riveting account of how the Lord Jesus touched the life of a young man Philip Mantofa delivered him from the depths of violence and depression and used him mightily as a chosen vessel of revival in Indonesia and Asia While Pastor Philip was still in his twenties a divine firebrand sparked city wide revivals which were noted for creating immediate and enduring impact particularly among young people More than 200 000 people experienced salvation while scores of youths were equipped and commissioned to pioneer thriving local churches Such a transforming anointing and influence can only arise from a life deeply rooted in Scripture and an intimate fellowship with the Holy Spirit Before 30 is evidence that God is able to raise young people to become standard bearers even for the older generation

Sagacita (english version) Klaus D. Wagner, 2019-05-06 SAGACITA A secret goddess from Greek mythology inspires a modern age poetic drama and a manifesto for world unity The supreme Greek God Zeus's latest illicit love affair will have consequences that could save the world from ultimate catastrophe However at this moment the mighty divine King of Mount Olympus has not the slightest interest in the fate of the planet or the dispensable mortals who populate it Zeus is concerned only for the personal catastrophe of displeasure The news he has just heard throws him into a monumental rage

Last Man Standing Dick Camp, 2010-11-10 One of the bloodiest battles in Marine Corps history Operation Stalemate at Peleliu was called was overshadowed by the Normandy landings It was also in time judged by most historians to have been unnecessary though it had been conceived to protect MacArthur's flank in the Philippines the U S fleet's carrier raids had eliminated Japanese airpower rendering Peleliu irrelevant Nevertheless the horrifying number of casualties sustained there 71% in one battalion foreshadowed for the rest of the war rather than fight to the death on the beach the Japanese would now defend in depth and bleed the Americans white Drawing extensively on personal interviews the Marine Corps History Division's vast oral history and photographic collection and many never before published sources this book gives us a new and harrowing vision of what really happened at Peleliu and what it meant Working closely with two of the 1st Regiment's battalion commanders Ray Davis and Russ Honsowetz Marine Corps veteran and military historian Dick Camp recreates the battle as it was experienced by the men and their officers Soldiers who survived the terrible slaughter recall the brutality of combat against an implacable foe they describe the legendary Chesty Puller leading his decimated regiment against enemy fortifications they tell of Davis wounded but refusing evacuation while his men were under fire and of a division commander who rejects Army reinforcements Most of all their richly detailed deeply moving story is one of desperate combat in the face of almost certain failure of valor among comrades joined against impossible odds
