about 1.2 million people around the world every year but they are largely neglected as a health and development issue perhaps because they are still viewed by many as being beyond human control. Efforts to prevent road traffic injuries are hampered by a lack of human capacity. Policy makers, researchers and practitioners need information on effective prevention measures and on how to develop, implement and evaluate such interventions. There is a need to train more specialists in road traffic injury prevention in order to address the growing problem of road traffic injuries at international levels. Annual Transportation Convention, 1995. *Resources in Education*, 2001-04. *Alcohol and Highway Safety, 1978* United States. Department of Transportation, 1980. The report in two volumes summarizes the results of a comprehensive review and analysis of the problem of alcohol and highway crashes in the United States. Both the nature of the alcohol crash problem and societal responses to that problem are treated. Epidemiologic studies, experimental studies and countermeasures. Po-economic travel and attitudinal characteristics of two types of users: express bus passengers and non-urban users are examined in the review. The short-term future of the alcohol crash problem is projected and conclusions and recommendations relative to future research and action programs are developed. **Alcohol and Highway Safety 1978** United States. National Highway Traffic Safety Administration, 1980. **Handbook of Research on Driving Competitive Advantage through Sustainable, Lean, and Disruptive Innovation** Al-Hakim, Latif, 2016-04-22. The global market is constantly evolving and it has become essential for organizations to employ new methods of appealing to customers in order to stay abreast of current trends within the world economy. The Handbook of Research on Driving Competitive Advantage through Sustainable, Lean and Disruptive Innovation features theoretical development and empirical research in social media platforms, internet usage, big data analytics and smart computing as well as other areas of organizational innovation. Highlighting implementation challenges facing innovative processes, this publication is a critical reference source for researchers, students, professionals, managers and decision makers interested in novel strategies being employed by organizations in an effort to improve their standings on the global market. **Driver Licensing: Revised Edition** Lois Flynn, 1979. **Alcohol and Highway Safety 1984**, 1985. **questions and answers relating to modern automobile design, construction, driving and repair** Victor W. The country and territory profile report accompanies the Global status report on road safety 2023 and is the last of the three report-related products: main report, summary report and country and territory profiles report. It contains country-specific profiles for 170 member states and 2 territories. Each profile contains the latest available information on nearly 100 road safety indicators together with information on the evolution of those indicators since 2010, the baseline year for the 2011-2020 Decade for Action. Due to the extension and graphic richness of the profiles, the 5 MB version of the report shows not very good quality images and the links for references do not work. We upload a 9.4 MB after having explained the situation in the Public online Clinic. *UP FROM THE DUST* Lester
