The Complete Idiot's Guide to the Bible James S. Bell, Stan Campbell, 2003 Includes summaries of the Bible's most famous stories detailed maps of the journeys of its major figures and descriptions of everyday life depicted in the Bible

The Book Amaranth Borsuk, 2018-05-04 The book as object as content as idea as interface What is the book in a digital age Is it a physical object containing pages encased in covers Is it a portable device that gives us access to entire libraries The codex the book as bound paper sheets emerged around 150 CE It was preceded by clay tablets and papyrus scrolls Are those books In this volume in the MIT Press Essential Knowledge series Amaranth Borsuk considers the history of the book the future of the book and the idea of the book Tracing the interrelationship of form and content in the book's development she bridges book history book arts and electronic literature to expand our definition of an object we thought we knew intimately Contrary to the many reports of its death which has been blamed at various times on newspapers television and e readers the book is alive Despite nostalgic paeans to the codex and its printed pages Borsuk reminds us the term book commonly refers to both medium and content And the medium has proved to be malleable Rather than pinning our notion of the book to a single form Borsuk argues we should remember its long history of transformation Considering the book as object content idea and interface she shows that the physical form of the book has always been the site of experimentation and play Rather than creating a false dichotomy between print and digital media we should appreciate their continuities

Pleasure With Products William S. Green, Patrick W. Jordan, 2002-04-18 The last five years have seen a major paradigm shift in the role of human factors in product design Previously this was seen as pertaining almost exclusively to product usability but new recognition is being given to pleasure based human factors This emphasizes the holistic nature of the experience of person product interaction While tradition
