Leave Me Breathless English Edition:

The Unfortunate Crush English Version Mae Madel, While traveling to Romblon turbulence struck Thinking it would probably be her last day on earth Antonia confessed her feelings to Rett her boss However the aftermath of her confession led to embarrassment which fueled her to lie and pretend she had amnesia Just when she thought she had finally escaped her own little mischief things began to backfire entangling her in even more lies On a remote island Antonia and Rett find themselves trapped in a fight for survival Will they be able to withstand the challenges the island throws their way How long can Antonia keep up the pretense and disguise How long can she resist the temptation As it turns out Rett is also the longtime boyfriend of Antonia s best friend Will Rett and Antonia be able to survive the unspeakable desire growing inside them

Stories of an Alchemist Falco Tarassaco (Oberto Airaudi),2021-05-17 Alchemy has been discussed for millennia and many are the texts that one can consult all complex occult and suggesting experiments that are difficult to implement Tradition handed down the image of the alchemist as a solitary researcher who surrounded by alembics and distillers tries to turn lead into gold manipulating toad tails bat wings and other strange elements His quest a metaphor for human evolution But centuries pass times change and disciplines and the ways to achieve goals are transformed too The alchemical laboratory full of bottles retorts and dusty tomes jealously protected from the light and the curiosity of the uninitiated is no longer needed We are in the Age of Aquarius and the alchemical laboratory is us We are in the Age of Aquarius and the alchemical laboratory is us Everyone is the Alchemist at work the laboratory and the element that gradually changes and becomes the result of the Great Work All at the same time Falco Tarassaco s research of redefines the paradigm of alchemy bringing it up to date and making it accessible to men and women of today Alchemy means self transformation with a desire to achieve spiritual results and more knowledge acting on the laws governing time matter and thought The objective is to balance and learn to use the precious elements inside each one in order to become Magicians aware creators of our spiritual path and our evolution

1500 Arabian Nights James Cicci,2024-08-31 1500 Arabian Nights follows the harrowing journey of the author trapped in a Saudi Arabian prison Cut off from the outside world and plagued by despair James grapples with the grim reality of their confinement alongside a diverse cast of fellow inmates including a mentally unstable individual and a doomed Saudi national As he navigates the brutal conditions of his captivity he reflects on the past questions fate and confronts the ever present specter of violence With themes of isolation survival and the search for redemption this gripping tale offers a stark portrayal of courage in the face of unimaginable hard times James Cicci pens a compelling narrative that explores the depths of despair and the enduring power of hope within the darkness of confinement

On the Barricades, and Off Melvin J. Lasky, The importance of Melvin J Lasky and of the journals he has edited Encounter in London Der Monat in Berlin has been beautifully captured by a young European intellectual Dr Michael Naumann Lasky s work quite apart from its value as a meditation is a testimony of personal courage This is the work of an outsider of a thinker in crazed times who ranks with the

few who can apply that 16th century observation of Richard Hooker to themselves with every justification Posterity may know we have not loosely through silence permitted things to pass away as in a dream On The Barricades And Off is an extraordinary collection of writings by Lasky dealing with Revolutionaries and Ideologies with the German Problem and the Russian Question with Travelling and Climates of Opinion But there is nothing eclectic or random about this effort Indeed the essays are stitched together by an impassioned dedication to the open society and no less a universal even handed critique of all closed societies Born in New York City Melvin J Lasky has been co editor of Encounter in London called the most brilliant European periodical since he succeeded Irving Kristol in 1958 He was educated at the City College of New York at the University of Michigan and Columbia University He was the literary editor of the New Leader before serving in World War II as a combat historian in France and Germany After the war he was a foreign correspondent for the New York Times The Reporter Partisan Review and other publications His work as an editor and writer reflects that unusual group of cosmopolitan scholars and men of letters who emerged from the ashes of conflict to help recreate the intellectual climate for democracy in Europe indirectly reestablishing transatlantic critical standards in America *Steal My Heart* Zalman Davis,2016-08-01 There are love stories of all kinds from tragic to sappy romances we love them Steal my Heart is a Teen Fiction about a young couple in love It s simple and sweet but it ll take you for a whirlwind of emotions With this Steal my Heart We want to give hope to all of you ordinary people out there In a world full of people trying to be different maybe our ordinariness makes us extraordinary So if you think you re plain you re average or you re just a prop in the background Steal my Heart will prove you wrong There is someone out there who sees you in a different light Love can take you on many journeys With Steal my Heart we hope it takes you on an ever lasting journey of true love Rams and Zalman The poetical works of John Keats, repr. from the orig. editions with notes by F.T. Palgrave. Large paper ed John Keats,1885 Obscene Pedagogies Carissa M. Harris,2018-12-15 In Obscene Pedagogies Carissa M Harris investigates the relationship between obscenity gender and pedagogy in Middle English and Middle Scots literary texts from 1300 to 1580 to show how sexually explicit and defiantly vulgar speech taught readers and listeners about sexual behavior and consent Through innovative close readings of literary texts including erotic lyrics single woman s songs debate poems between men and women Scottish insult poetry battles and The Canterbury Tales Harris demonstrates how through its transgressive charge and galvanizing shock value obscenity taught audiences about gender sex pleasure and power in ways both positive and harmful Harris s own voice proudly witty and sharply polemical inspires the reader to address these medieval texts with an eye on contemporary issues of gender violence and misogyny *Half-Past Lives* Sree Sen,2018-04-05 Superstition and guilt Innocence and death Love and loneliness The various fallacies of life find expression in these stories It takes the reader into the depths of depravity death and sometimes the vagaries of fate There is heartache and also hope butterflies and tigers innocence and madness From Shantiniketan in West Bengal to nomadic tribes within the Jim Corbett forest from the sandy beach to a simple

thatched roof from an obsessive relationship to a cursed existence this book reveals a world stripped bare of superficiality Each of the short stories is a riveting capture of life which is usually ignored and mentioned only in hushed tones *Half Past Lives* brings alive the juxtaposition of human frailty against their hopes and ambitions It takes you into the mind of the characters creating a vivid yet unvarnished canvas The book explores the lives of characters and their vulnerabilities And each comes with a twist keeping the readers riveted till the very end *The Mandolin Lesson* Frances Taylor,2014-03-28 The Mandolin Lesson is a unique quirky story of commuting to another country for music lessons Beautifully redolent of an Italy before emails and mobiles low cost fares and the channel tunnel it relates an inspirational story of following one's passion against all the odds It is a journey of the moment that happened ahead of its time Frances Taylor plays an unusual instrument the mandolin and when she gets an unexpected opportunity to study her instrument in its native land Italy she feels compelled to do so The only problem is that as a thirty something with family and work commitments in England she has to study part time commuting once a month Travelling to Padua during the nineties Frances stays in Brescia and Bologna Seduced by the charms of the Italian way of life she helps with the cherry harvest learns to cook local dishes and finds out how to dress elegantly Frances thinks at first she is finding out about her instrument and music and then about another culture but ultimately she is on a journey to find out about herself an interior journey in which she learns to reconnect with her spirit The Mandolin Lesson is an evocative memoir from the only female professional classical mandolinist in the country and the only British person to have studied mandolin in Italy at Conservatoire level The theme of the book is both timeless and universal about a journey we are all on a journey to find out about ourselves and to reconnect with who we really are It will resonate with readers interested in inspirational self development books and will also appeal to fans of human interest stories as well as those interested in Italy and its culture music in general and the mandolin A fascinatingly detailed account of how a love affair with the mandolin became a love affair with Italy as well It shows the lengths to which an excellent musician will go to become an even better one Louis de Berni res author of *Captain Corelli's Mandolin* **Dead Souls** J. Lincoln Fenn,2016-09-20 From the award winning author of the acclaimed novel *Poe* comes an edgy and bone chilling new novel When Fiona Dunn is approached in a bar by a man who claims he's the devil she figures it's just some kind of postmodern slash ironic pickup line But a few drinks in he offers her a wish in exchange for her immortal soul and in addition Fiona must perform a special favor for him whenever the time comes Fiona finds the entire matter so absurd that she agrees Bad idea Not only does Fiona soon discover that she really was talking to the devil incarnate but she's now been initiated into a bizarre support group of similar dead souls those who have done the same thing as Fiona on a whim and who must spend their waking hours in absolute terror of that favor eventually being called in and what exactly is required from each of them in order to give the devil his due **Quit Trying and Start Dying!** David Joel,2013-11-01 A short time before this work went to press I was listening to some of my favorite worship music and going over various parts of the completed work In His

still small voice He told me David this is not your book I quickly replied Lord this has never been mine You wrote this through me It belongs to You He then said David this is not your book It is your testimony I wept so hard and passionately that I now hope everyone who reads this would have the same opportunity to hear our Father say this to them The months spent listening and writing this were the most painful and profoundly exciting of my entire life But the results left up to Him were being able to see my Savior on the Throne and myself on the cross Friends theres no other way to make it home God has chosen me to speak the deep things from His heart to those who would listen those who are hungry and thirsty for His righteousness In a society like ours filled with choices it can be very difficult to adhere to the only choice that keeps us on the narrow road submission to Christ There is so much more that the Spirit has given me shown me and I will respond to any questions or invitations the Lord sends to me Feel free to contact me at GodUnlimited yahoo com May God bless you all and all you bless

Surrealism in Greece Nikos Stabakis, 2008-08-01 In the decades between the two World Wars Greek writers and artists adopted surrealism both as an avant garde means of overturning the stifling traditions of their classical heritage and also as a way of responding to the extremely unstable political situation in their country Despite producing much first rate work throughout the rest of the twentieth century Greek surrealists have not been widely read outside of Greece This volume seeks to remedy that omission by offering authoritative translations of the major works of the most important Greek surrealist writers Nikos Stabakis groups the Greek surrealists into three generations the founders such as Andreas Embirikos Nikos Engonopoulos and Nicolas Calas the second generation and the Pali Group which formed around the magazine Pali For each generation he provides a very helpful introduction to the themes and concerns that animate their work as well as concise biographies of each writer Stabakis anthologizes translations of all the key surrealist works of each generation poetry prose letters and other documents as well as a selection of rarer texts His introduction to the volume places Greek surrealism within the context of the international movement showing how Greek writers and artists used surrealism to express their own cultural and political realities
