The Story of New England, Illustrated Edward Oliver Skelton, 1909 **The Lost Book: The Unknown Story of "Ramayana" and "Nart Wezirmes"** SELÇUK BAĞLAR, 2022-10-13 I have been working on Circassian Mythology of Narts for a long time As a result of these studies which started about fifteen years ago some questions arose in my mind about the Circassian Mythology of Narts One of them is how many themes in the Circassian Mythology of Narts are universal and have not been noticed until today However it is very clear that many themes in the Circassian Mythology of Narts are universal At least most of them are certainly not regional Undoubtedly the themes related to Nart Wezirmes are at the forefront of such universal ones I am amazed that it has not been noticed until today that the narratives of the character Rama in the Indian epic Ramayana and the hero named Nart Wezirmes in the Circassian Mythology of Narts are actually texts based on the same story In the same way the thematic similarities between Nart Wezirmes and Egyptian Osiris have not been noticed until now which intrigues me I dealt with this subject in my book titled **The Ancient Secret of Circassian and Egyptian Mythologies From Narts to Netars** **The Unknown Woman of the Seine A Novel** Brooks Hansen, 2021-11-02 In the late autumn of 1889 the body of an unknown woman appeared on the banks of the Seine River in Paris It was taken to the city morgue behind Notre Dame and put on display for a month according to protocol The eerie beauty of the young woman s expression attracted crowds but no claimant and so before the body was dispatched a mold was taken of the face yielding a mask which was to become one of the most celebrated cult objects of the 20th century Set during the final days of the Paris expo of 1889 Brooks Hansen s captivating **The Unknown Woman of the Seine** sets out to solve the mystery of who the woman was behind the mask In charge of that investigation is a former Gendarme and recent prisoner of war just returned from Tonkin China Emile Brassard is on his way to Paris determined to reclaim his place in La Force when he

crosses paths with an enigmatic and unnamed young maiden and her gypsy wagon Detecting villainy and bent on proving himself to his former superiors Brassard tracks her into the city and observes from the shadows as with clear but mysterious purpose she wends her way into the orbit of several savory and unsavory characters an Artist an Impresario a Madame a Countess and one Disciple even each of whom sees in her some opportunity for profit or redemption any one of whom may therefore be responsible for her sudden and unexplained disappearance Brassard s chase will lead him on a grand tour of the city s lushest and seamiest venues from its highest spires down into its darkest catacombs and past a gallery of equally diverse crimes the moral the political the maniacal By the end of this enchanting and ominous journey he will learn the stunning truth of the unknown woman s true identity her past and present but not before unearthing the equally disturbing truth about himself who he has been and who he must become

Chaudhuri, 2023-04-28 The Autobiography of an Unknown Indian by Nirad C Chaudhuri is a profound and introspective account of a man s journey through early 20th century India The narrative weaves the personal with the historical using the author s life as a lens to explore the broader struggles of Indian civilization confronting British imperialism and modernity Chaudhuri s intention is to present not merely a memoir but a historical testimony highlighting the intersection of individual experience with societal evolution His unique perspective shaped by an exceptional and unconventional path offers a vantage point akin to an aerial view detached yet deeply connected to the land below Written with unflinching honesty the book delves into themes of identity colonialism and the trajectory of Indian society emphasizing the tension between the dominant national currents and the often overlooked exceptions that resist them Addressing an English speaking audience Chaudhuri aims to provide insight into the forces that shaped India s trajectory under British rule and beyond While his experiences are atypical he argues that their value lies in their ability to illuminate the broader environment through a distinct independent lens Chaudhuri candidly critiques both the dominant narratives of his time and the leaders who guide nations into either growth or decline Through his reflections he not only grapples with the complexities of India s societal fabric but also examines the role of exceptional individuals who challenge or reinforce prevailing trends This book stands as a bold declaration of faith in understanding history culture and personal identity amidst the relentless tide of change This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give
