Fast Food John A. Jakle, Keith A. Sculle, 2002 The authors contemplate the origins architecture and commercial growth of wayside eateries in the US over the past 100 years Fast Food examines the impact of the automobile on the restaurant business and offers an account of roadside dining

The Black O Steve Watkins, 2013-03-15 In 1988 several white managers of the Shoney's restaurant chain protested against the company's discriminatory hiring practices including an order to blacken the O in Shoney's on minorities job applications so that the marked forms could be discarded When the managers refused to comply they lost their jobs but not their resolve they sued the company Their case grew into the largest racial job discrimination class action lawsuit of its time Shoney's eventually offered to settle out of court and the nearly 21 000 claimants divided a 132.5 million settlement bringing to an abrupt end a landmark case that changed corporate attitudes nationwide The Black O is a fascinating behind the scenes story populated with many unforgettable characters including civil rights lawyer Tommy Warren the former college football star and convicted felon who took the case Ray Danner the infamously former CEO who developed the Shoney's concept and Justice Clarence Thomas former head of the Equal Employment Opportunity Commission which sat idly by for years while complaints mounted against Shoney's The Black O speaks to an issue that continues to have great urgency serving as a stark refutation that the civil rights movement eliminated systemic discrimination from the workplace
