Legal Rights Of Teachers And Students 3rd Edition:

Legal Rights of Teachers and Students Nelda H. Cambron-McCabe, Martha M. McCarthy, Suzanne Eckes, 2014 Key Benefit Gives pre and in service educators a concise informative comprehensive guide to the legal issues affecting their daily activities with students and teachers Key Topics The legal framework of public education tort liability church state relations instruction student expression association and appearance student classifications rights of students with disabilities student discipline terms and conditions of employment teachers substantive constitutional rights discrimination in employment termination in employment legal generalizations selected Supreme Court decisions Market Pre and in service educators

Your Legal Rights in School Rebecca T. Klein, 2014-12-15 In a landmark 1969 decision the Supreme Court asserted that students do not shed their constitutional rights when they enter the doors of their schools However for many students it is still not clear where the line is drawn between their legal rights and school rules This book clarifies the reach of student rights covering the topics of free speech peaceable assembly and privacy on campus Also essential is a discussion of the right to a quality education for students with disabilities and juvenile offenders as well as protection from discrimination for minority and LGBT students Critical Issues and Practices in Gifted Education Jonathan Plucker, Carolyn

Callahan, 2021-09-03 Critical Issues and Practices in Gifted Education is the definitive reference for a summary and evaluation of the literature on giftedness gifted education and talent development This third edition Presents more than 40 summaries of important topics in the field Features updates to all topics Introduces new topics including neuroscience and the roles of leaders in the field Dives into the latest research Explores how the research applies to gifted education and the lives of gifted learners This book also provides an objective assessment of the available knowledge on each topic offers guidance in the application of the research and suggests areas of needed research Proud to be Different Robert A. Fox, Nina K. Buchanan, 2014-01-23 This is a book about ethnocentric niche charter schools What are they When did they first appear From where did the term come How do they differ from regular charter schools and from district run traditional public schools Each subject chapter was created by a team consisting of at least one educational researcher and at least one charter school practitioner The goal is to make the book readable for everyone policymakers parents teachers older students while providing a framework of rigor from which to view each charter school Hence the teams We took special pains to create a book which exhibits the objectivity of the educational researcher while at the same time inviting the reader into each school by painting a human picture of its ethos Each chapter contains a description of the school told by people who actually taught or learned or sent their children there
