McRaven, 2023-04-04 THE INSTANT 1 New York Times BESTSELLER From the acclaimed bestselling author of Make Your Bed a short inspirational book of advice and leadership lessons that Admiral McRaven collected over his four decades as a Navy SEAL The title Bullfrog is given to the Navy SEAL who has served the longest on active duty Admiral McRaven was honored to receive this honor in 2011 when he took charge of the United States Special Operations Command When McRaven retired in 2014 he had 37 years as a Navy SEAL under his belt leading men and women at every level of the special operations community In the ensuing four years he served as Chancellor to the entire University of Texas System with its 230 000 students and 100 000 faculty and health care workers During those four decades Admiral McRaven dealt with every conceivable leadership challenge from commanding combat operations including the capture of Saddam Hussein the rescue of Captain Phillips and the raid for Osama bin Laden THE WISDOM OF THE BULLFROG draws on these and countless other experiences from Admiral McRaven s incredible life including crisis situations management debates organizational transitions and ethical dilemmas to provide readers with the most important leadership lessons he has learned over the course of his forty years of service Each chapter provides a Make Your Bed like parable rich with insights like those featured in his bestselling memoir Sea Stories about the specific leadership traits required to be at the top of your game including Who Dares Wins Run to the Sound of the Guns No Plan Survives First Contact with the Enemy THE WISDOM OF THE BULLFROG is Admiral McRaven s clear eyed treatise on the leadership qualities that separate the good from the truly great **A Journey from 726 Walnut Street** Ramon Noches, 2010-11-08 I began this book not as a planned publication but as an in depth chronicle of my recollections It is a very raw and largely unedited and every word I personally wrote Most of my life s experiences contained in the book cover the years from 1942 to 2001 I did not write it for profit or any notion of self aggrandizement but something

to pass on to my propensity In fact my preference is that sales remain low It does contain several items of historical note probably not covered in other publications My reasoning was to convert a very lengthy memo into published form because of a similar effort by my Great Grandfather Marshall George Newman Son of an Indian Chief that failed He composed a very lengthy document about his experiences from 1840s forward That document passed through many hands and eventually disappeared I did not want to repeat his experience so I elected to complete it in a book that would probably last for many years Are there inaccuracies in this book probably but very few as I made every effort to be honest direct and straightforward in all aspects in developing the final product Perhaps the biggest issue many would have is how honest I related both the good and bad of my life without the obfuscation we see read and hear in everyday life I know of no other path to take than to be honest and not join in the trampling of the word integrity
