Manual Check Printing:

Quicken 2009: The Missing Manual Bonnie Biafore, 2008-09-17 Quicken is a convenient way to keep track of personal finances but many people are unaware of Quicken's power and end up using only the basic features. Sometimes Quicken raises more questions than it answers. Return of capital from stock. Net worth. What are they and why do you need to know about them. Luckily Quicken 2009 The Missing Manual picks up where Quicken's help resources leave off. You'll find step by step instructions for using Quicken on your Windows PC including useful features such as budgeting, recording investment transactions, and archiving Quicken data files. You also learn why and when to use specific features and which ones would be most useful in a given situation. This book helps you set up Quicken to take care of your specific needs. Follow your money from the moment you earn it. Make deposits, pay for expenses, and track the things you own and how much you owe. Take care of financial tasks online and quickly reconcile your accounts. Create and use budgets and track your investments. Generate reports to prepare your tax returns and evaluate your financial fitness. And a lot more. Quicken 2009 The Missing Manual accommodates readers at every technical level, whether you're a first time or advanced Quicken user. For a topic as important as your personal finances, why trust anything else.

Quicken 2006 for Starters: The Missing Manual Bonnie Biafore, 2005-11-25 Intuit's Quicken is one of today's most popular and convenient ways to keep track of personal finances, and Quicken 2006 For Starters The Missing Manual for Windows is the indispensable guide to using the program to simplify your finances and make the most of your money. Whether you're new to electronic banking or just new to Quicken, this refreshingly funny and sensible book zeroes in on exactly what you need to get into Quicken fast. It teaches you how to do such essential things as balance your checkbook on your computer, keep tabs on your spending, create and manage a budget, monitor and pay bills on time, determine more ways to save, and stick to your savings plan, manage loans, and maximize investments. Make tax preparation easier, even find hidden tax deductions, and much more. Financial software writer and personal finance expert Bonnie Biafore delivers clear explanations and step by step instructions for the Quicken features you need, as well as relevant advice and plenty of real world examples. Beginners will appreciate Biafore's clear guidance on how to set up Quicken to streamline their money management tasks. Power users will benefit from her insightful tips, tricks, and shortcuts for working around Quicken's idiosyncrasies and saving even more time and money. The book is designed to help you get up to speed fast. Biafore steps you through the basics of Quicken. Then, as you become a more efficient and sophisticated Quicken user, she helps you take advantage of the program's little known but powerful features. And throughout the book, she offers invaluable money management principles. You'll be generating useful reports and graphs with ease, ensuring accuracy and consistency among all your accounts, and planning, saving, and controlling your finances like never before. The book that gives you exactly what you need. Quicken 2006 For Starters The Missing Manual helps you quickly make the most of Quicken 2006 for Windows.
