## **Manual Bsa B32:**

Manual for News Writing ,1970      **BSA 350, 500 & 600 PRE-UNIT SINGLES OWNERS WORKSHOP MANUAL.**  
**MODELS COVERED: B31 OHV SINGLE, 1954-1959; B32.....** Mansur Darlington,1977      **WALNECK'S CLASSIC**  
**CYCLE TRADER, JULY 2003** Causey Enterprises, LLC,      **BSA B31 - B32 - B33 - B34 'Service Sheets' 1945-1960 for**  
**All Pre-Unit Rigid, Spring Frame and Swing Arm Models** Floyd Clymer,2021-07-28 194 pages and more than 240  
illustrations and charts size 8 25 x 10 75 inches In 1945 after the war had ended BSA resumed production of their civilian  
line of motorcycles However they continued their pre war practice of publishing repair overhaul and technical information in  
the form of individual Service Sheets These sheets were dealer only publications and as such the print quality was at times  
somewhat questionable It was not until the early 1960 s that BSA eventually started publishing model specific workshop  
manuals that were available to the general public Consequently these Service Sheets were the only publications available for  
the maintenance and repair of BSA models that were manufactured through the early 1960 s At some point in the 1930 s BSA  
adopted the practice of identifying their various model types by groups and the models manufactured from 1945 through the  
mid 1960 s were in Groups A B C D and M The service sheets that were associated to a particular group were identified  
numerically and while there were some exceptions due to overlapping data between models in general terms the numbers  
relate to a particular model group They are as follows The 200 series of service sheets were applicable to Group A models the  
300 series to Group B the 400 series to Group C the 500 series to Group D and the 600 series to Group M In addition there  
were a 700 series applicable to mechanical maintenance and an 800 series for electronic service and wiring diagrams Both  
the 700 and 800 series of service sheets contained information that was not model specific but was applicable across multiple  
model groups Unfortunately as these service sheets were issued individually and at random times the numbering sequence  
within any group is at times illogical and not necessarily consecutive Consequently assembling those individual sheets into a  
publication that serves as a model specific workshop manual is a somewhat difficult task and owners of BSA motorcycles are  
subjected to considerable confusion surrounding the appropriate selection from the multitude of reprints that have recently  
flooded the on line marketplace Many of the reprints found on internet websites are from bedroom sellers at enticingly low  
prices by individuals that really have no idea what they are selling Many are nothing more than poor quality comb bound  
photocopies that are scanned and printed complete with greasy pages and thumbprints and as such are deceptively  
described as pre owned used or even refurbished In addition they are often advertised for the incorrect series and or model  
years of motorcycles The most complete compilation of the 1945 and onwards service sheets was issued by BSA in the form  
of a dealer only ring binder that contained all of the individual service sheets totaling to almost 500 pages it is extremely  
scarce and difficult to find This manual contains 59 service sheets 190 pages extracted from that dealer only publication  
which cover the 1945 to 1960 pre unit rigid plunger and swing arm B31 B32 B33 and B34 plus Gold Star and Competition

models Please note that service sheets other than those in the 300 series that are included in this publication may also contain data that is applicable to other model groups as that was the original intention For additional information the reader is directed to The Book of the BSA 250cc 350cc 500cc 600cc OHV SV singles 1945 to 1959 ISBN 9781588502292 which covers the B31 B32 B33 B34 C10 C11 C11DL M20 M21 M33 models For later models see The Book of the BSA OHV Singles 350cc 500cc 1955 1967 ISBN 9781588501561 which covers the B31 B32 B33 B34 Star B40 SS90
