Meet Me In Barcelona:

Meet Me in Barcelona Mary Carter, 2014-07-26 A surprise trip to Barcelona with her boyfriend Jake seems like the perfect antidote to Grace Sawyer's current woes. The city is dazzling and unpredictable but the biggest surprise for Grace is discovering who arranged and paid for the vacation. Carrie Ann wasn't just Grace's foster sister. Clever, pretty, and mercurial, she was her best friend until everything went terribly wrong. Now as she flees an abusive marriage, Carrie Ann has turned to the one person she hopes will come through for her. Despite her initial misgivings, Grace wants to help. But then Carrie Ann and Jake both go missing. Stunned and confused, Grace begins to realize how much of herself she's kept from Jake and how much of Carrie Ann she never understood. Soon Grace is baited into following a trail of scant clues across Spain, determined to find the truth even if she must revisit her troubled past to do it. Mary Carter's intriguing novel delves into the complexities of childhood bonds, the corrosive weight of guilt and blame, and all the ways we try and often fail to truly know the ones we love. Praise for Mary Carter: A touching novel. Publishers Weekly on *The Things I Do For You*. This is guaranteed to become one of the books on your shelf that you'll want to read again. The Free Lance Star on *The Pub Across the Pond*.

Chainbound Walid el Houri, 2014-03-10 Every so often a book comes along which challenges everything we think we know about love and relationships, a book that takes us on an incredible journey and allows us to glimpse those rare moments in life when love truly conquers all, and sometimes the most unlikely candidates find themselves drawn to each other like bees to nectar. This is one such book. In this book you will discover that true love has no boundaries. It is the glue that holds the pages of life together for two unlikely souls who just happen to discover that love is timeless and does not come with an expiration date. This book represents the intense love a man has for his wife. It's an uncommon union to be sure, but make no mistake about it: for the love shared by these two unlikely people is real and true. You only need to read this love letter written by man to his wife to understand that true love cannot be quenched or stopped; it continues to grow into something intense and beautiful. What makes this book special is that it proves that fairytales can really come true when you let them. Here's one that did: I was both entertained and fascinated. It is a powerful story and well told. A great read. John Hughes Wilson, British Writer.
