

To: EMS Vendor Partners – Paramedic Systems of Wisconsin (PSOW)
From: Dan Williams, Conference Organizer
Cal Lintr, Exhibitor Coordinator
Date: April 1st, 2016

We would like to thank you all for your years of participation and support for the PSOW Conference. We understand how important your contribution is to our conference with your financial commitments and the EMS-specific products that you provide to our attendees.

We have heard many times, from many of you, that this conference provides you and your companies with meaningful customer contacts. This is the only conference that specifically focuses on the EMS Service Directors, EMS Medical Directors, Fire Chiefs/EMS Staff and Paramedic Training Centers. The people that attend this conference either directly place the orders for goods and services or have final approval for those orders.

We also want to extend sincerest apologies for the conflict in scheduling that occurred at last year's conference that led to less than stellar activity in the exhibit area. This conflict was due to attempts to accommodate a national speaker's travel itinerary. We pledge to you that we have made changes to ensure that the premium contact time that you have enjoyed over the years will be restored this year. We are also bringing back the "vendor showcase" as the last conference session of the day on Wednesday. Historically, the vendor showcase has proven to be a valuable venue for attendees to learn of new technologies in emergency medical services.

We believe that the management-level profile of the conference attendees and the reasonable registration fees of \$350.00 make this a valuable conference on your schedules. We have also moved the Conference Banquet to Thursday evening. This will allow you to entertain your customers as you see fit at the conclusion of the "Hospitality with the Vendors" on Wednesday.

Lastly, our conference relies on the support of the attendees and vendor to maintain the lowest possible cost for everyone. You will find attached to this letter an opportunity to support the conference monetarily by selecting one of the sponsorships. Your generous support will allow us to continue on for many years in the future.

Respectfully submitted,
Dan and Cal

Ems Vendor Partner Manual Introduction

In today's digital age, the availability of Ems Vendor Partner Manual books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Ems Vendor Partner Manual books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Ems Vendor Partner Manual books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Ems Vendor Partner Manual versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Ems Vendor Partner Manual books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Ems Vendor Partner Manual books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Ems Vendor Partner Manual books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Ems Vendor Partner Manual books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Ems Vendor Partner Manual books and manuals for download and embark on your journey of knowledge?
