untold stories and never before seen photos of the couple's life together 16 pages of b w photographs **What More in/for Science Education** Wolff-Michael Roth, 2013-06-13 What more is there in and for science education to do in terms of researching science lessons A lot the author suggests if research turns away from studying science education extracting social facts using special methods which journal articles require to state to studying the work and methods by means of which participants themselves create their structured world of science lessons This book presents with concrete materials from an inquiry oriented physics course a way of doing science education research that radically differs from existing approaches This book articulates this approach for a science education audience where this approach is by and large unknown and where the primary literature is often experienced as impenetrable and as requiring years of work to gain entry Consistent with this different approach those materials are used that constitute the way in which the reflexive production of social order is observed by the actors teachers students themselves **Film and Everyday Eco-Disasters** Robin L. Murray, Joseph K. Heumann, 2014-06-01 Eco disasters such as coal mining accidents oil spills and food borne diseases appear regularly in the news making them seem nearly commonplace These ecological crises highlight the continual tensions between human needs and the environmental impact these needs produce Contemporary documentaries and feature films explore environmental human conflicts by depicting the consequences of our overconsumption and dependence on nonrenewable energy Film and Everyday Eco disasters examines changing perspectives toward everyday eco disasters as reflected in the work of filmmakers from the silent era forward with an emphasis on recent films such as Dead Ahead an HBO dramatization of the Exxon Valdez disaster Total Recall a science fiction action film highlighting oxygen as a commodity The Devil Wears Prada a comment on the fashion industry and Food Inc a documentary interrogation of the food industry The authors evaluate not only the success of these films as rhetorical arguments but also their rhetorical strategies This interdisciplinary approach to film studies fuses cultural economic and literary critiques in articulating an approach to ecology that points to sustainable development as an alternative to resource exploitations and their associated everyday eco disasters

The Oxford Handbook of American Documentary Joshua Glick, Visiting Associate Professor of Film & Electronic Arts Joshua Glick, Patricia Aufderheide, University Professor in the School of Communication Patricia Aufderheide, 2025 Joshua Glick and Patricia Aufderheide Over the past twenty years documentaries have taken on an increasingly central place in American public life One measure of their importance is their commercial value Major media companies have moved aggressively to monetize documentary exploiting the form's relatively low budgets compared to fiction **Psycho in the Shower** Philip J. Skerry, 2009-04-01 This is a brilliant study of one scene in one movie the shower scene from Psycho Every other chapter is an extended interview with someone who worked on the original film or on Gus van Sant's remake from a few years ago The non interview chapters take various approaches to film criticism and refer often to the author and his writing of this book It's lightly done but compelling and often very entertaining *International Documentary*, 1992-05
