The Ghost in You Katrina Mountfort, 2018-02-16 What do you do if you're dead but haven't moved on You keep finding yourself back where you died with very little control over when sometimes you can be away for days weeks or even months and then you're back Between times when you're away where do you go what do you do You've seen some other ghosts asleep at their graves but you don't even know where your own grave is The living shiver if they walk through you but they can neither see nor hear you With practice you can pass through walls and doors but curiously you can sit on a park

bench without falling through it climb stairs even lie on a bed You re stuck in the clothes you were wearing when you died at the age you died Waiting Then after years of this intermittent existence you realise what you have been waiting for what it is that you have to do in order to finally move on Just as you have found the best reason to stay That s what happened to Rowena A ghost story told from the perspective of the ghost herself The Ghost in You is a first hand account from beyond the grave by an innocent girl who dies before her time and tries to make sense of what is happening to her while helping her friends and discovering her purpose A first hand account from beyond the grave visit bit ly GhostInYou
