In the Air Tonight Marie Force, 2024-09-24 I was there I saw what you did Blaise I wasn't supposed to be there that night but my friend Sienna talked me into going to the party in Land's End so she could spy on her boyfriend While hiding out in the woods we witnessed an unspeakable crime And we did everything wrong afterward Connections run deep in our small town I was pressured into keeping my mouth shut even though every part of me objected I assumed I'd always do the right thing in any situation I was wrong about that and a lot of other things I was wrecked by what I saw and how the victim was treated by kids I'd known all my life I've been sick over it ever since even as I moved on far away from the town where I was raised Fourteen years later I learn that the guy who committed that unspeakable crime is running for Congress and something in me snaps I can't bear the weight of that knowledge for another second Finally I report what I saw and all hell breaks loose for me and others who were at that long ago party Some of them will do whatever it takes to keep the truth from coming to light even if they have to kill me In the midst of an epic battle a new love gives me the strength to stay strong to fight for my life and to right a terrible wrong Content warning A sexual assault storyline may be upsetting to some readers
