[The ISM Code: A Practical Guide to the Legal and Insurance Implications](#) Phil Anderson, 2015-06-16 The ISM Code has been mandatory for almost every commercial vessel in

the world for more than a decade and nearly two decades for high risk vessels yet there is very little case law in this area. Consequently there remains a great deal of confusion about the potential legal and insurance implications of the Code. This third edition represents a major re write and addresses significant amendments that were made to the ISM Code on 1st July 2010 and 1st January 2015. This book provides practitioners with a practical overview of and much needed guidance on the potential implications of failing to implement the requirements of the Code. It will be hugely valuable to DPAs managers of ship operating companies ship masters maritime lawyers and insurance claims staff. A Practical Guide to the ADA and Visual Impairment Elga Joffe, 1999. A Practical Guide to the ADA is designed to be a practical companion to the law a clearheaded alternative to much of the confusion and misinformation about how the ADA can be implemented for people who are blind or visually impaired.
