Firebird Firebird 1 Kathy Tyers:

Firebird Kathy Tyers, 2014-10 Lady Firebird was born to the royal family of Netaia. Because of her birthplace in the family, however, her life is expendable. Honorable suicide is the highest calling she could hope to attain. When she is chosen to lead an attack on the neighboring planet of Veroh, her death is expected. Instead, she is taken prisoner during the battle and is held by the enemy. With her own people seeking her sacrifice, Firebird must choose between two worlds before she can carve out her new destiny. page 4 of cover

The Firebird Trilogy Kathy Tyers, 2004 These critically acclaimed novels deftly chronicle one courageous woman's spiritual and physical battles and the eternal consequences of her struggle. With her own people seeking her sacrifice, Lady Firebird finds herself swept toward an exciting but perilous destiny. *Religion and Science Fiction* James H. Thrall, 2024-05-17 Religion and Science Fiction: An Introduction guides students into deeper understanding of how religion and science fiction engage often overlapping questions. This textbook introduces key ideas of religious studies through critical consideration of print and visual media that fall within the general category of science fiction. The goal throughout is to help students move beyond simply identifying points of interrelation between religious studies and forms of what is often called more broadly speculative fiction to considering how the studied texts open new ways of thinking about human and nonhuman experience taken to be religious. With discussion questions, lists of key terms, extensive additional resources, and suggestions for projects and essay questions, this book is a foundational text for students and instructors of religion and science fiction.

Balance Point: Star Wars Kathy Tyers, 2011-06-28 In the aftermath of one tragedy, will a young Jedi's search for redemption lead to yet another? There is no place else to channel the flood of refugees fleeing the murderous Yuuzhan Vong but the overcrowded planet Duro, poisoned by centuries of technological excess. Fortunately, a deal is struck. In exchange for a new home, the refugees will work to restore the planet to health under the watchful eye of Leia Organa Solo. While tempers flare between the Duros and the New Republic, Han Solo, his son Jacen, and the Ryn called Droma arrive to keep the peace. They are unaware that Leia is on Duro and that Luke, Mara, and Anakin are on their way searching for a missing Jedi apprentice. And none realize that the Yuuzhan Vong have chosen this embattled planet as the next target in their brutal coreward thrust. Now, as the fragile stability on Duro threatens to collapse into violence, Jacen Solo must face his greatest dilemma: At what point does the use of power become aggression? Whatever he decides, his next step could tip the galaxy's destiny toward the light or toward darkness, with the life of someone he loves hanging in the balance. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years.
