## **Firelight Firelight 1 Sophie Jordan:**

**Firelight** Sophie Jordan, 2010-09-07 This first book in the addictive romantic Firelight trilogy is perfect for fans of Rebecca Yarros Jennifer Armentrout and Tahereh Mafi With her rare ability to breathe fire Jacinda is special even among the draki the descendants of dragons who can shift between human and dragon forms But when Jacinda s rebelliousness forces her family to flee into the human world she struggles to adapt even as her draki spirit fades The one thing that revives it is the gorgeous elusive Will who comes from a long line of dragon hunters Jacinda can t resist getting closer to him even though she knows she s risking not only her life but the draki s most closely guarded secret The steam rises with this fire breathing romance about a girl whose love crosses an ancient divide from New York Times bestselling author Sophie Jordan They Suck, They Bite, They Eat, They Kill Joni Richards Bodart, 2012

Teen readers have always been fascinated by monsters but lately it seems like every other young adult YA book is about vampires zombies or werewolves These works are controversial since they look at aspects of life and human nature that adults prefer to keep hidden from teenagers But this is also why they are so important They provide a literal example of how ignoring life s hazards won t make them go away and demonstrate that ignorance of danger puts one at greater risk In They Suck They Bite They Eat They Kill The Psychological Meaning of Supernatural Monsters in Young Adult Fiction Joni Bodart examines six different monsters vampires shapeshifters zombies unicorns angels and demons in YA literature Bodart first discusses the meaning of these monsters in cultures all over the world Subsequent chapters explore their history and most important incarnations comparing the same kind of creatures featured in different titles This volume also contains interviews with authors who provide additional insight and information and the bibliography includes a comprehensive list of titles featuring the various monsters Analyzing the most important and well written series and titles for teens They Suck They Bite They Eat They Kill will be useful for parents teachers and anyone else hoping to understand why teens want to read books in this genre and what some of the benefits of reading them might be
