INFORMATION COMPILATION CHECKLIST FOR PLANNED REAL ESTATE DEVELOPMENT FULL DISCLOSURE ACT REGISTRATION INTRODUCTION

The nature of the residential real estate development and/or for-sale project which you or your organization envisions undertaking requires that the project be registered with the Division of Codes and Standards, Bureau of Homeowners Protection of the New Jersey Department of Community Affairs pursuant to the Planned Real Estate Development Full Disclosure Act, N.J.S. 45:22A-21 et seq. ("PREDFDA") and its implementing regulations, N.J.A.C. 5:26-1.1 et seq.

Briefly, in addition to all the municipal, county, state and federal approvals you may be required to obtain in order to construct, refurbish or remodel your project, you must also register the project as set forth in PREDFDA as a condition of your ability to enter into binding contracts for the sale of any parcel, unit or interest to any member of the public. The registration process requires the compilation of a variety of information and exhibits. The purpose of this checklist is to help you assemble those documents and the necessary information which you must provide to us so we can prepare the filing in the required form. We are relying upon your response to be thorough and complete.

It is strongly suggested that you provide the information and documentation as they become available, rather than waiting until all or most of the items have been completed. It has been our experience that we can most efficiently process the information when presented in this way. When forwarding something to us, simply note which checklist item you are answering, unless you are returning a copy of the pertinent checklist page with the information completed thereon.

Be sure to notify us if you do not have copies of documents which have been recorded, so that we may obtain them for you.
