Gerald M Phillips Book:

Gerald M. Phillips ,2005 **Communication Incompetencies** Gerald M. Phillips,1991 Gerald M Phillips draws on his twenty five year five thousand client experience with the Pennsylvania State University Reticence Program to present a new theory of modification of inept communication behavior That experience has convinced Phillips that communication is arbitrary and rulebound rather than a process of inspiration He demonstrates that communication problems can be described as errors that can be detected and classified in order to fit a remediation pattern Regardless of the source of error the remedy is to train the individual to avoid or eliminate errors thus orderly procedure will result in competent performance Inept communicators must be made aware of the obligations and constraints imposed by deep structures that require us to achieve a degree of formal order in our language without which our discourse becomes incomprehensible **Speaking With Confidence and Skill** Lynne Kelly,Arden K. Watson,1989-04-11 Convinced that public speaking fears outranked all other fears the authors combined their years of teaching novice speakers to set forth their techniques for reducing apprehension and sharpening communication performance skills The three basic techniques stressed are cognitive structuring or attitude change relaxation techniques and skills training All of the topics addressed herein are intended for students in basic speech communication classes Some of the topics are the process of communication assessing yourself as a communicator improving attitudes and reducing apprehension preparing and delivering a public speech improving skills in group discussions as well as in all types of social relationships First published by Harper and Row in 1986 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1973 *Routledge Handbook of Applied Communication Research* Lawrence R. Frey,Kenneth N. Cissna,2009-07-21 The Routledge Handbook of Applied Communication Research provides a state of the art review of communication scholarship that addresses real world concerns issues and problems This comprehensive examination of applied communication research including its foundations research methods employed significant issues confronted important contexts in which such research has been conducted and overviews of some exemplary programs of applied communication research shows how such research has and can make a difference in the world and in people s lives The sections and chapters in this Handbook explain what constitutes applied communication scholarship encompassing a wide range of approaches and clarifying relationships among theoretical perspectives methodological procedures and applied practices demonstrate the breadth and depth of applied communication scholarship review and synthesize literature about applied communication areas and topics in coherent innovative and pedagogically sound ways set agendas for future applied communication scholarship Unique to this volume are chapters presenting exemplary programs of applied communication research that demonstrate the principles and practices of such scholarship written by the scholars who conducted the programs As an impressive benchmark in the ongoing growth and development of communication scholarship editors Lawrence R Frey and Kenneth N Cissna provide an exceptional resource

that will help new and experienced scholars alike to understand appreciate and conduct high quality communication research that can positively affect people s lives *Communication Yearbooks Vols 6-33 Set* Various,2021-12-02 The Communication Yearbook annuals originally published between 1977 and 2009 publish diverse state of the discipline literature reviews that advance knowledge and understanding of communication systems processes and impacts across the discipline Topics dealt with include Communication as Process Research Methodology in Communication Communication Effects Taxonomy of Communication and European Communication Theory Information Systems Division Mass Communication Research Mapping the Domain of Intercultural Communication Public Relations Feminist Scholarship Communication Law and Policy Visual Communication Communication and Cross Sex Friendships Across the Life Cycle Television Programming and Sex Stereotyping InterCultural Communication Training Leadership and Relationships Media Performance Assessment Cognitive Approaches to Communication **Rhetorical Criticism** Jim A. Kuypers,2009-07-16 Covering a broad range of rhetorical perspectives Rhetorical Criticism Perspectives in Action presents a thorough accessible and well grounded introduction to rhetorical criticism Throughout the text sample essays written by noted experts provide students with models for writing their own criticism In addition to covering traditional modes of rhetorical criticism the volume presents less commonly discussed rhetorical perspectives for example close textual analysis mythic criticism framing analysis ideographic criticism concept oriented criticism and critical rhetoric exposing student to a wide range of material Featuring nineteen chapters all written by leading rhetoric scholars the volume offers the most comprehensive introduction to rhetorical criticism available Features The chapters are written by a nationally recognized scholar in that area giving students the best and most current research for each perspective Each chapter includes an original sample essay that gives students a model of rhetorical criticism for their own assignments Each author comments on his or her writing process to demonstrate the personal nature of criticism This unique emphasis allows students to appreciate that writing criticism is not a simple formulaic process Every chapter features a Potentials and Pitfalls section that highlights the strengths and weaknesses of the rhetorical perspective being discussed **Bill Clinton on Stump, State, and Stage** Stephen A. Smith,1994-01-01 Outstanding scholars of political communication examine President Clinton s campaign his words texts and the dynamics of his ability to inspire the public as the man from Hope **Living with an Aging Brain** Robert Werman,2003 Grow old along with me The best is yet to be wrote Robert Browning in his poem Rabbi Ben Ezra Those of us approaching or already inhabiting this unknown land might not entirely agree but in this inspiring volume by Dr Werman we are shown how to make the most of old age especially as regards our brains and how to use them to lead fulfilling lives The book is packed with useful scientific facts on aging and how to differentiate between the symptoms of merely the wear and tear of our bodies and brains and real disease It is aimed at members of the general public and contains fascinating real life examples some of them from Dr Werman s own practice as a neurologist and his life experience **Communication and Learning** Paul Witt,2016-09-12 In this volume leading

scholars from the fields of communication educational psychology and international education address what is known about the strategic role of interpersonal communication in the teaching learning process Instruction often involves spoken communication that carries information from teacher to learner and in these instances the teacher s skillful and strategic use of language has a measurable impact on learning outcomes Thus the cumulative findings of instructional communication research are instrumental in maximizing the efficiency and effectiveness of both teaching and learning Major sections of this volume include Historical and Theoretical Foundations Instructor Characteristics and Behaviors Student Characteristics and Outcomes Pedagogy and Classroom Management Teaching and Learning Communication Across the Life span This handbook serves researchers professors and graduate students by surveying the collective findings of research and experience concerning the intentional activity of teaching and learning
