Hero S Burden:

The Rhetoric of Heroic Expectations Justin S. Vaughn, Jennifer Mercieca, 2014-02-15 Campaign rhetoric helps candidates to get elected but its effects last well beyond the counting of the ballots this was perhaps never truer than in Barack Obama's 2008 campaign Did Obama create such high expectations that they actually hindered his ability to enact his agenda Should we judge his performance by the scale of the expectations his rhetoric generated or against some other standard The Rhetoric of Heroic Expectations Establishing the Obama Presidency grapples with these and other important questions Barack Obama's election seemed to many to fulfill Martin Luther King Jr's vision of the long arc of the moral universe bending toward justice And after the terrorism war and economic downturn of the previous decade candidate Obama's rhetoric cast broad visions of a change in the direction of American life In these and other ways the election of 2008 presented an especially strong example of creating expectations that would shape the public's views of the incoming administration The public's high expectations in turn become a part of any president's burden upon assuming office The interdisciplinary scholars who have contributed to this volume focus their analysis upon three kinds of presidential burdens institutional burdens specific to the office of the presidency contextual burdens specific to the historical moment within which the president assumes office and personal burdens specific to the individual who becomes president The Ancient Greek Hero in 24 Hours Gregory Nagy, 2013-02-25 The ancient Greeks concept of the hero was very different from what we understand by the term today In 24 installments based on the Harvard course Gregory Nagy has taught and refined since the 1970s The Ancient Greek Hero in 24 Hours explores civilization's roots in Classical literature a lineage that continues to challenge and inspire us **On the Nature of Genocidal Intent** Jason J. Campbell, 2012-10-04 Campbell offers a conceptual look into the nature of genocidal intent systematically analyzing the conceptual and logical structures for genocidal intent and discussing its theoretical foundations The analysis offers particular insight into the process of operationalizing genocide and mass extermination The investigation includes discussion of the roles orchestrators play and the systematic development of a genocidal strategy which requires the intent to purge pre selected demographic identifiers from the population Campbell also analyzes in detail the dynamic process of generational conflict wherein former perpetrators become victims and victims become perpetrators Outlook Alfred Emanuel Smith, Francis Walton, 1906 New Outlook, 1906 *Gore Vidal and Antiquity* Quentin Broughall, 2022-08-01 This book examines Gore Vidal's lifelong engagement with the ancient world Incorporating material from his novels essays screenplays and plays it argues that his interaction with antiquity was central to the way in which he viewed himself his writing and his world Divided between the three primary subjects of his writing sex politics and religion this book traces the lengthy dialogue between Vidal and antiquity over the course of his sixty year career Broughall analyses Vidal's portrayals of the ancient past in novels such as Julian 1964 Creation 1981 and Live from Golgotha 1992 He also shows how classical literature inspired Vidal's other fiction such as The City and

the Pillar 1948 Myra Breckinridge 1968 and his Narratives of Empire 1967 2000 novels Beyond his fiction Broughall examines the ways in which antiquity influenced Vidal s careers as a playwright an essayist and a satirist and evaluates the influence of classical authors and their works upon him Of interest to students and scholars in classical studies reception studies American politics and literature and the work of Gore Vidal this volume presents an original perspective on one of the most provocative writers and intellectuals in post war American letters It offers new insights into Vidal s attitudes influences and beliefs and throws fresh light upon his patrician self fashioning and his mercurial output *Songs of Gods, Songs of Humans* Donald L. Phillippi,2015-03-08 As an especially beautiful and pure example of the archaic epic styles that were once current among the hunting and fishing peoples of northern Asia the Ainu epic folklore is of immense literary value This collection and English translation by Donald Phillippi contains thirty three representative selections from a number of epic genres including mythic epics culture hero epics women s epics and heroic epics This is the first time outside of Japan that the Ainu epic folklore has been treated in a comprehensive manner Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Bollywood Cinema Kaleidoscope Shoma A. Chatterji,2020-01-31 This book is aimed at offering an insight into different aspects of Bollywood cinema that need highlighting now and for the future as an archival collection of concepts ideas realities and ideologies Bollywood Cinema represents reflects deflects from and critiques as well **The Outlook** ,1906 **The Bookman** ,1905
