Humans were created to bless one another those they love and those they do not According to Scripture Num 6 27 God promises to release more of his blessings more of his goodness grace and love into the world In Hebrew the word for bless means God s intention When people speak words of blessing in God s name they are praying for the fullness of God s intentions to be released into their lives In a world where division and polarization are becoming normative God gives a new ministry resource blessing ministry The power of blessing can bridge those gaps and bring healing to the individuals involved There is no individual situation no community need where blessing prayers are not beneficial Wherever there is joy and celebration in people s lives blessing prayers bring only more joy and thanksgiving There is an awakening in the lives of God s people wherever the ministry of blessing is being taught and practiced Communities are experiencing greater health Churches are becoming more alive Hearts are being healed and lives transformed simply by blessing others in Jesus name God is calling his people to become a people of blessing [Blessings & Rituals for the Journey of Life](#) Susan
