How To Raise A Boyfriend:

How to Raise a Boyfriend Rebecca Eckler, 2011-02-01 Rebecca Eckler shows women everywhere that while they're busy offering not so casual advice and reprimands to the men in their life they've lost sight of an important fact they're not dating a boyfriend they're raising a boyfriend. He wandered away from the checkout leaving her to cope with an overflowing shopping car. He dashed in front of her to cross a busy intersection without so much as a backwards glance. He forgot to meet her at the airport after a trip. And then an inescapable truth settled in: Rebecca Eckler already had a six-year-old daughter, so what was she doing with a boyfriend who was even worse behaved? There were only two options: Dump the sucker and concentrate on raising her child. Or raise her boyfriend too. From making introductions to offering compliments to saying you're sorry, boyfriends need to be raised with the same lessons we use on our kids. As Rebecca writes: If I can raise a child a smart, kind, and polite one, surely I can raise a boyfriend too.

How to Raise a Husband Tonilyn Hornung, 2014-04-01 Because of the thoughts behind this book, I have realized my complete self. I never knew how happy I could be. I am so thankful. Did I get that right, honey? The Author's Husband. *How to Raise a Husband* is not your average men-are-from-one-planet, women-from-another-kind-of-relationship book. Tonilyn Hornung offers an extremely personal collection of wisdom from six married women that's like advice from your very best and most trusted girlfriends. The stories shared are those that most wives tend to keep to themselves, inspiring the reader to rise to each challenge and learn more about themselves in the process. Through bonding over shared experience, never through man-bashing, readers will find inspired growth, happiness, and deeper love and respect with their spouse. Today's wives find themselves in uncharted marital territory, simply trying their best to maintain a loving relationship, a peaceful household, and an emptied dishwasher. Wives are continually on the lookout for that extra bit of insight that can take them to a new level of understanding or simply to help them get through a hectic day. Completely nag-free, *How to Raise a Husband* offers a unique approach by incorporating the honesty of six experts' real wives with one unifying voice: the author's, to assist and entertain all the while providing deep and valuable insight into the less-talked-about issues of marriage. From honest communication to knowing the difference between when to compromise and if you are compromising yourself, and how to know when it's appropriate to wear your Dallas Cowboy Cheerleader uniform, *How to Raise a Husband* gives practical advice and encouragement on marriage that will unite women across the globe.
