Drechsler,2021-09-06 Some people call it learning how to drive stick or how to drive a manual Whatever you call it both are the same Many drivers never learn how to drive a car with a manual transmission or stick shift The ability to drive a stick shift will allow you to drive any type of vehicle regardless of it is automatic or manual You ve heard that a driving stick gives you more control of your car in every situation from a passing maneuver to descending a snowy hill You ve heard driving a stick shift car is more economical at the gas pump You ve heard it s more fun But you ve also heard it s hard to learn There are gearshifts to master your engine can stall your car can roll backward on a hill and understanding the clutch is a nightmare So what if I told you using a clutch is no more difficult than using a faucet or that your car s handbrake is a lot more than just a parking brake or that I can teach you in one sentence how to avoid ever stalling your engine I ve already taught thousands of people how to drive stick men and women of all ages normal people not engineering students or race car engineers And I can teach you

In Over Our Heads Robert Kegan,1998-07-21 If contemporary culture were a school with all the tasks and expectations meted out by modern life as its curriculum would anyone graduate In the spirit of a sympathetic teacher Robert Kegan guides us through this tricky curriculum assessing the fit between its complex demands and our mental capacities

The Senior Driver's Survival Guide Norman Klein,2010-05-20 Senior Drivers Your future is in jeopardy A disturbing situation is developing in the United States Since people are living longer the number of drivers over 65 is escalating three times as rapidly as the general driving population Older people have difficulty concentration shorter attention spans and failing vision among other ailments Unfortunately this results in frequent driving mishaps sometimes with catastrophic results Taking away their driving privileges would deprive them of their self esteem and independence This could happen if they continued to have accidents caused by their propensity to get distracted easily and lose concentration Some states have already enacted laws requiring re exams for seniors No doubt many more will follow Driving slower in traffic is not the answer This could cause accidents Driving too fast would be worse since a person s attention span and reaction time deteriorate with age It does not matter how skillful he or she once were aging diminishes skill in almost all areas including the operation of a motor vehicle Driving today has become more complex as many more cars are on the road When seniors started to drive turnpikes and expressways were non existent After observing the avoidable accidents seniors were having and realizing how their ranks were exploding I decided to write *The Senior Driver s Survival Guide* subtitled *What You Must Know to Protect Your Driving Privileges* Its contents can enable older drivers to drive with a more acute awareness and help them to be better drivers in their Golden years It is an important book which has the power to change and save lives
