Last Stand In Sanctuary:

The Last Stand David G. Stone, What would you sacrifice for loyalty What would you risk for honor What would you do if your world was ending and you had thirteen minutes to save everything you believed in June 21st 1582 The most powerful man in Japan is about to die and only one warrior stands between Oda Nobunaga and annihilation Yasuke the African samurai has sworn an oath that binds him beyond death But when ten thousand enemy soldiers surround Honno ji Temple when his lord s most trusted general reveals himself as a traitor when flames consume the sanctuary where they ve taken refuge what can one man do against destiny itself This is the story of history s most legendary last stand told through the eyes of its most unlikely hero In a single morning that changed Japanese history forever witness The Honno ji Incident The most pivotal betrayal in samurai history Impossible odds One man against ten thousand in a blazing temple Unbreakable loyalty The bonds between lord and retainer tested by fire Epic sacrifice What honor demands when everything is lost Historical truth The real events that ended Japan s age of war Experience the raw visceral reality of Nobunaga s final moments as the Demon King faces mortality Yasuke s desperate battle through smoke and flame The political machinations that toppled an empire The human cost of ambition betrayal and loyalty A warrior s choice between survival and honor Based on meticulously researched historical events The Last Stand delivers the intensity of 300 the honor of The Last Samurai and the emotional depth of Saving Private Ryan all centered on the true story of Japan s most dramatic hour Perfect for readers who crave Historically authentic military fiction Stories of courage against impossible odds Deep exploration of honor loyalty and sacrifice The untold stories behind pivotal moments in history When everything burns when all hope dies when the impossible becomes inevitable some warriors choose to stand anyway Discover why the greatest victories sometimes look like defeats and why the most important battles are the ones nobody expects you to win

Last Stand Todd Wilkinson, Ted Turner, 2013-03-21 Entrepreneur and media mogul Ted Turner has commanded global attention for his dramatic personality his founding of CNN his marriage to Jane Fonda and his company s merger with Time Warner But his green resume has gone largely ignored even while his role as a pioneering eco capitalist means more to Turner than any other aspect of his legacy He currently owns more than two million acres of private land more than any other individual in America and his bison herd exceeds 50 000 head the largest in history He donated 1 billion to help save the UN and has recorded dozens of other firsts with regard to wildlife conservation fighting nukes and assisting the poor He calls global warming the most dire threat facing humanity and says that the tycoons of the future will be minted in the development of green alternative renewable energy Last Stand goes behind the scenes into Turner s private life exploring the man s accomplishments and his motivations showing the world a fascinating and flawed fully three dimensional character From barnstorming the country with T Boone Pickens on behalf of green energy to a pivotal night when he considered suicide Turner is not the man the public believes him to be Through Turner s eyes the reader is asked to consider another way of thinking about the environment our

obligations to help others in need and the grave challenges threatening the survival of civilization **Cool's Last Stand**

Clifton Wilcox,2025-07-20 In this thrilling adventure four boys are immersed in an intense war game using an abandoned bus nick named Cool as their headquarters Their mission is to infiltrate a Nazi stronghold and liberate innocent civilians But as they play something strange happens the line between fantasy and reality begins to blur and the boys find themselves transported to 1943 Nazi occupied France With danger all around they must confront the question Is this just a game or are they truly part of a historical battle for freedom The boys must navigate the harrowing realities of war and decide how far they re willing to go to complete their mission Commentary on Mark (Commentary on the New Testament Book #2)

Robert H. Gundry,2011-11-01 Delve Deeper into God s Word In this verse by verse commentary Robert Gundry offers a fresh literal translation and a reliable exposition of Scripture for today s readers The Gospel of Mark counters the shame of Jesus crucifixion by showcasing Jesus power to perform miracles cast out demons teach authoritatively best his opponents in debate attract crowds and predict the future Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry s nontechnical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations This selection is from Gundry s Commentary on the New Testament **Commentary on the New**

Testament Robert H. Gundry,2010-07-01 Verse by verse explanations with a literal translation Shouldn t a Bible commentary clarify what God s Word actually says Going beyond questions of authorship date sources and historicity respected linguist and teacher Gundry offers a one volume exposition of the New Testament that focuses on what is most useful for preaching teaching and individual study what the biblical text really means Providing interpretive observations in a breezy style that s easy to read and adaptable for oral use in pulpit or classroom presentations Gundry directs his book to an evangelical audience His crisp translation of the New Testament inserts various phrasings of passages in brackets allowing for smooth transition from original text to alternative and contemporary readings SAMPLE TEXT OF TRANSLATION JOHN S PREDICTING A MORE POWERFUL BAPTIZER THAN HE Mark 1 1 8 1 1 3 The beginning of the gospel of Jesus Christ God s Son according as it s written in Isaiah the prophet Behold I m sending my messenger before your face ahead of you who ll pave your way the road you ll travel the messenger who is the voice of one crying out in the wilderness Prepare the way of the Lord Make his paths straight Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry s non technical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations of the NT Scriptures A trustworthy guide for anybody wanting to delve deeper into God s Word SAMPLE TEXT OF COMMENTS Gospel means good news Jews would associate this good news with Isaiah 52 7 Non Jews would think of the good news of an emperor s accession to power birthday visit to a city military victory or bringing of prosperity to the empire But Mark s good news has to do with the salvation and victory brought by Jesus over evil in all its demonic and physical forms The gospel of Jesus Christ therefore means the gospel about Jesus Christ and refers to a proclaimed message the voice of one crying out

not a book though because books like Mark's contain that proclaimed message the term came to refer to those books in the capitalized form of Gospels to distinguish them from the message kept uncapitalized as gospel

Last Stands Michael Walsh, 2020-12-01 A philosophical and spiritual defense of the premodern world of the tragic view of physical courage and of masculinity and self sacrifice in an age when those ancient virtues are too often caricatured and dismissed Victor Davis Hanson Award winning author Michael Walsh celebrates the masculine attributes of heroism that forged American civilization and Western culture by exploring historical battles in which soldiers chose death over dishonor in *Last Stands Why Men Fight When All Is Lost* In our contemporary era men are increasingly denied their heritage as warriors A survival instinct that's part of the human condition the drive to wage war is natural Without war the United States would not exist The technology that has eased manual labor extended lifespans and become an integral part of our lives and culture has often evolved from wartime scientific advancements War is necessary to defend the social and political principles that define the virtues and freedoms of America and other Western nations We should not be ashamed of the heroes who sacrificed their lives to build a better world We should be honoring them The son of a Korean War veteran of the Inchon landing and the battle of the Chosin Reservoir with the U S Marine Corps Michael Walsh knows all about heroism valor and the call of duty that requires men to fight for something greater than themselves to protect their families fellow countrymen and most of all their fellow soldiers In *Last Stands* Walsh reveals the causes and outcomes of more than a dozen battles in which a small fighting force refused to surrender to a far larger force often dying to the last man From the Spartans defiance at Thermopylae and Roland's epic defense of Charlemagne's rear guard at Roncevaux Pass through Santa Anna's siege of the Alamo defended by Davy Crockett and Jim Bowie to the skirmish at Little Big Horn between Crazy Horse's Sioux nation and George Armstrong Custer's Seventh Cavalry to the Soviets' titanic struggle against the German Wehrmacht at Stalingrad and more Walsh reminds us all of the debt we owe to heroes willing to risk their lives against overwhelming odds and how these sacrifices and battles are not only a part of military history but our common civilizational heritage

Facing the Wild Chilla Bulbeck, 2012-06-25 What do wild animals mean to humans Will they survive both rampant habitat loss and extinction caused by human encroachment and as ecotourists our enthusiasm for them With ecotourism now the fastest growing segment of tourism and encounters with wild animals be it swimming with dolphins going on safari or bird watching ever more popular these are critical questions Yet until now little has been known about why people crave encounters with wild animals and the meaning for the ecotourism industry conservation efforts and society at large *Facing the Wild* is the first serious empirical examination of why people seek out animals in their natural environment what the desire for this experience tells us about the meanings of animals nature authenticity and wilderness in contemporary industrialized societies and whether visitors change their environmental perspectives and behaviour as the custodians of wildlife parks would like them to The book explores the contradictions and

ambivalence that so many people experience in the presence of wild nature in loving it we may diminish it and in the act of wanting to see it we may destroy it Ultimately the book makes a case for respectful stewardship of a hybrid nature and provides insight for both practitioners and ecotourists alike **Crusader** Sara Douglass, 2006-08-22 The Star Dance and the Timekeeper Demons after battling their way across the universe meet for one final encounter in Tencendor Conclusion to the series **Yale Alumni Weekly** , 1906
