Third-Space Exploration in Education Kaye, Candace, Haynes Writer, Jeanette, 2023-08-07 The third space can simultaneously be a safe haven for experimentation and creativity and a risky space in which there is likely to be contestation and uncertainty Understanding the strategic role in examining and activating third spaces is necessary which

applies not only to organizations that seek to apply the contemporary concept of third space in either digital or face to face settings but also to individuals who exist as actors in third space environments These organizations and individuals often have to perform outside of the first space a dominant social or settler colonial identity group Third Space Exploration in Education investigates the knowledge relationships legitimacies and languages that problematize and accommodate the paradoxes tensions and possibilities at the heart of understanding education related third space environments The book is useful in providing insights and support for readers concerned with the creation management negotiation or reconceptualization of expertise knowledge information and organizational development within culturally diverse third space communities and environments This reference work is ideal for audiences in various disciplines centering on education as well as interdisciplinary areas or areas that can relate to education such as ethnic studies sociology psychology medicine technology and business

Chicana/Latina Testimonios as Pedagogical, Methodological, and Activist Approaches to Social Justice Dolores Delgado Bernal,Rebeca Burciaga,Judith Flores Carmona,2017-10-02 While the genre of testimonio has deep roots in oral cultures and in Latin American human rights struggles the publication and subsequent adoption of This Bridge Called My Back Moraga Anzald a 1983 and more recently Telling to Live Latina Feminist Testimonios Latina Feminist Group 2001 have demonstrated the power of testimonio as a genre that exposes brutality disrupts silencing and builds solidarity among women of colour Within the field of education scholars are increasingly taking up testimonio as a pedagogical methodological and activist approach to social justice which transgresses traditional paradigms in academia Unlike the more usual approach of researchers producing unbiased knowledge the testimonio challenges objectivity by situating the individual in communion with a collective experience marked by marginalization oppression or resistance This approach has resulted in new understandings about how marginalized communities build solidarity and respond to and resist dominant culture laws and policies that perpetuate inequity This book contributes to our understanding of testimonio as it relates to methodology pedagogy research and reflection in pursuit of social justice A common thread among the chapters is a sense of political urgency to address inequities within Chicana o and Latina o communities This book was originally published as a special issue of Equity Excellence in Education
