Handbook on Legal Cultures Sören Koch, Marius Mikkel Kjølstad, 2023-05-30 Cooperation across borders requires both knowledge of and understanding of different cultures This is especially true when it comes to the law This handbook is the first to comprehensively present selected legal cultures based on a very specific set of structural elements which can be found in all such cultures Legal cultures are a product of and impacted by certain fundamental and commonly shared ideas on and expectations of the law In all modern societies these ideas are to a certain degree institutionalized or at least embedded in institutionalized practices These practices determine the way lawyers are educated and apply the law how they engage with the ongoing internationalization of law and what kind of values they adhere to Looking at these elements separately enables the reader to identify similarities and differences and to explain them contextually Understanding these general features of legal cultures can help avoid misunderstandings or misinterpretations of foreign law and its application Accordingly this handbook is a necessary starting point for all kinds of legal comparative studies conducted by academics students judges and other legal practitioners *Ya’Ityopyā heg maṣḥét*, 2008 *Ethiopian Yearbook of International Law* 2018 Zera Yihdego, Melaku Gebaye Desta, Martha Belete Hailu, 2019-09-25 EtYIL 2018 comes at a time when multilateralism and its underpinning norms of international law and institutions are under siege At the same time in 2018 Africa stood out for upholding multilateralism and international law From the adoption of the Agreement establishing the African Continental Free Trade Area to the signing of peace agreements that brought to an end two decades of hostilities between Eritrea and Ethiopia 2018 was indeed a remarkable year for international law in Africa EtYIL 2018 covers some of these issues including the Eritrea Ethiopia Claims Commission decisions on jus ad bellum jus in bello evidentiary and procedural matters and the role of arbitration in upholding the international rule of law Such new developments as the lifting of UN sanctions against Eritrea and the agreements signed between Eritrea and Ethiopia are also covered in this volume The volume further devotes considerable attention to other legal issues including the use and misuse of European patent law to the detriment of developing countries interests sharing transboundary resources production sharing agreements on extractives evolving rules governing economic relations between Africa and the European Union in the context of Brexit contract farming in the African cocoa and chocolate industry the International Criminal Court and human rights law and cyber attacks and the role of international law in tackling them These chapters authored by experts from Africa Asia Europe and North America not only bring new and diverse voices to the international law discourse they also contribute to EtYIL’s overarching goal of contributing to the effort to rebalance the narrative of international law **State and Economic Development in Africa** Aaron Tesfaye, 2017-07-20 This book critically assesses the impact of Ethiopia’s policy of Agriculture Development Led Industrialization Employing qualitative and quantitative analysis it presents empirical evidence suggesting persistent economic growth The research highlights improvements in infrastructure health care education poverty alleviation as well
