The Report: Ghana 2017 Oxford Business Group, 2017-01-11. These include a more stable macroeconomic environment through the fiscal consolidation programme, a more favourable balance of trade buttressed by expanding oil exports and an increasingly sophisticated financial system as evidenced by a soon to be launched commodities exchange and increased integration with regional and international securities markets. Risks remain, however: High interest rates, inflation and public debt in the face of stubbornly low levels of private sector lending and insurance penetration will likely remain through 2017. Nonetheless, the government has demonstrated a commitment to undertaking the structural reforms that are necessary to bring down interest rates, stabilise the currency and get Ghana's fiscal house in order.
