**The Soft Power of the Russian Language** Arto Mustajoki, Ekaterina Protassova, Maria Yelenevskaya, 2019-06-12 Exploring Russian as a pluricentric language this book provides a panoramic view of its use within and outside the nation and discusses the connections between language politics ideologies and cultural contacts Russian is widely used across the former Soviet republics and in the diaspora but speakers outside Russia deviate from the metropolis in their use of the language and their attitudes towards it Using country case studies from across the former Soviet Union and beyond the contributors analyze the unifying role of the Russian language for developing transnational connections and show its value in the knowledge economy They demonstrate that centrifugal developments of Russian and its pluricentricity are grounded in the language and education policies of their host countries as well as the goals and functions of cultural institutions such as schools media travel agencies and others created by migrants for their co ethnics This book also reveals the tensions between Russia's attempts to homogenize the Russian world and the divergence of regional versions of Russian reflecting cultural hybridity of the diaspora Interdisciplinary in its approach this book will prove useful to researchers of Russian and post Soviet politics Russian studies Russian language and culture linguistics and immigration studies Those studying multilingualism and heritage language teaching may also find it interesting

Nationalism in Iran Richard W. Cottam, 1979-06-15 For a brief period in the early 1950s Iranian nationalism captured the world's attention as under the leadership of Mohammad Mossadeq the Iranian National Movement tried to liberate Iran from British imperialism Regarding nationalism as a major determinant of the attitudes and loyalties of those who embrace it Cottam analyzes the complex religious national and social values at work within Iran and examines more generally the turbulence of nationalism in developing states and its perplexing problems for American foreign policy In a new 40 page chapter added in 1978 Cottam updated his pioneering study by examining the condition of Iran fifteen years after his first analysis from its rapid economic growth as an oil producer to Shah Mohammad Reza Pahlavi's unsuccessful efforts to rouse nationalistic sentiment in his favor
