[Sex Work Today](#) Bernadette Barton, Barbara G. Brents, Angela Jones, 2024-11-19. A cutting edge volume on current trends in sex work from sugar relationships and cyber brothels to financial domination, sex worker activism, and feminist porn. Sex is for sale in more ways than ever. It can be bought and sold online, in sex clubs, on the street, and around the world. As with many industries, discrimination, exploitation, and inequality persist in sex work. Yet it also offers autonomy, job satisfaction, and even pleasurable experiences for those involved. *Sex Work Today* explores these contradictions, offering an intimate look at the benefits and challenges of sex work across geographic contexts. Featuring thirty-one original essays by sex workers, advocates, researchers, and activists, *Sex Work Today* is the first compilation of research on new forms of digital sex, such as camming, sugar dating, and AI sex dolls. Providing a lens to understand contemporary labor dynamics and the nature of sex work itself, this collection captures formerly ignored aspects of the sex industry, including fatphobia, disability, transmasculine and nonbinary sex workers, racialized emotional labor in the digital sex industry, high job satisfaction among professional dominatrices, and sex worker scholars. With federal policies ostensibly aimed at combating sex trafficking affecting all sex workers, understanding this industry is more vital than ever. *Decentering Western white cisgender voices*, *Sex Work Today* underscores the global repercussions of these misaligned policies, which make sex work more challenging and less safe, and provides valuable insights for those seeking to shape policies, challenge prejudices, and foster a safer and more equitable world for all.
