TRENDS IN LINGUISTICS is a series of books that open new perspectives in our understanding of language. The series publishes state of the art work on core areas of linguistics across theoretical frameworks as well as studies that provide new insights by building bridges to neighbouring fields such as neuroscience and cognitive science. TRENDS IN LINGUISTICS considers itself a forum for cutting edge research based on solid empirical data on language in its various manifestations including sign languages. It regards linguistic variation in its synchronic and diachronic dimensions as well as in its social contexts as important sources of insight for a better understanding of the design of linguistic systems and the ecology and evolution of language. TRENDS IN LINGUISTICS publishes monographs and outstanding dissertations as well as edited volumes which provide the opportunity to address controversial topics from different empirical and theoretical viewpoints. High quality standards are ensured through anonymous reviewing.

Un vieil adage dit que pour mieux comprendre où on va, il est important de comprendre d'où on vient. Profitant de l'occasion du 400e anniversaire de la fondation de Québec 1608-2008, des femmes et des hommes passionnés la fois d'histoire et de spiritualité ont réuni leurs efforts pour risquer un retour au souffle des fondateurs religieux comme Marie de l'Incarnation et les premiers missionnaires. Ils ont proposé des lectures inédites de cette modernité à laquelle appartenaient ces personnes aux grandes aspirations. Au fil de cet ouvrage, le lecteur sera immergé dans cet univers complexe d'un monde intérieur bien vivant qui ne se contente pas d'affirmer l'identité des sujets, mais s'inspire de grandes actions relatives à la vie politique, l'éducation au monde, de la santé et la rencontre des étrangers. Un ouvrage qui claire sous un nouveau jour des tranches importantes de l'histoire mystique dont parlait naguère Georges Goyau 1924 et qui montre comment la vitalité spirituelle a contribué et peut encore contribuer aux fondements de la société d'aujourd'hui.
