Lee And Longstreet The Official Records Illustrated:

Lee and Longstreet Helen Longstreet, 2014-12-09 This brief story of a gigantic event and General Longstreet's part therein was arranged for publication in book form in the fall of 1903 before his death which occurred January 2 1904 It is the carefully sifted story of the records and contemporaneous witnesses and for clearness I have here and there introduced General Longstreet's personal version of some of the disputed points But the reader will perceive that at last it is the story of the records For my undertaking I drew liberally from General Longstreet's memoirs of the war Manassas to Appomattox from his stores of knowledge in the military art and his treasure house of memories of the Titanic encounter on the field of Gettysburg The war pictures included herein are also from the above mentioned volume And I am gratefully indebted to Captain Leslie J Perry formerly of the War Records Office Washington City for valuable assistance An appendix added since General Longstreet's death includes a small selection from the thousands of tributes from every quarter of the republic

Four Years With General Lee [Illustrated Edition] Colonel Walter Taylor, 2014-08-15 Includes Civil War Map and Illustrations Pack 224 battle plans campaign maps and detailed analyses of actions spanning the entire period of hostilities it offers a sure quick eyewitness assessment of all Lee's campaigns Southern Partisan Colonel Taylor was the Adjutant General of the Army of Northern Virginia and Lee's right hand man at Headquarters Most of the orders and dispatches went out in Taylor's handwriting and he was uniquely positioned to observe Lee's thinking and generalship close up In addition Taylor was responsible for the returns manpower statistics and so is able to correlate the accounts of campaigns and battles with the actual strength of Confederate forces The conclusion is inescapable few military commanders have done more with less than Lee and fewer still can have emerged with his reputation as a human being The book concludes with the Address on the Character of General R E Lee by Captain John Hampden Chamberlayne delivered in 1876 which is a fine analysis on the career and character of the great General **Lee and Longstreet at High Tide** Helen Dortch Longstreet, 1904

Department of State. Library, 1902 **The Nation**, 1896 **Two Men and A People** Gregory H. Blake, 2019-08-06 Two opposing generals and the people of East Tennessee met in the fall of 1863 For James Longstreet the commander of the Confederate forces the campaign for Knoxville and East Tennessee marked the nadir of his military career which climaxed in December 1863 with him submitting a letter of resignation as commander of the First Corps of the Army of

Northern Virginia For Ambrose Burnside commander of the Federal forces the campaign demonstrated his leadership and tactical ability following his December 1862 debacle as commander of the Army of the Potomac at the Battle of Fredericksburg Virginia For the region of East Tennessee and Knoxville the campaign enabled the people to reach the pinnacle they had aspired to since their settlement of the region They had escaped economic and religious oppression in Europe negotiated and fought with the Cherokee Indian Nation created the State of Franklin which was denied statehood saw its political power vanish to Middle Tennessee and was limited in its economic development by the region s landscape

Confederate Tide Rising Joseph L. Harsh,1998 This analysis of the military policy and strategy adopted by Robert E Lee and Jefferson Davis in the first two years of the Civil War argues that their policies allowed the Confederacy to survive longer than it otherwise could have and were the policies best designed to win Southern independence **Lives of**

Ott,2008-02-22 Book Description A Generation at War explores the intersection of gender age and Confederate identity through the lives of teenage daughters from slaveholding secessionist families throughout the South These young women who came of age in a time of secession and war clung tenaciously to the gender ideals that lauded motherhood and marriage as the fulfillment of female duty and the racial order of the slaveholding South that defined their status and afforded them numerous material privileges When differences between the North and South proved irreconcilable southern daughters demonstrated extraordinary agency in protecting their future as wives mothers and slaveholders Centered in the culture of their youth gender and class group they threw their support behind the movement to create a Confederate identity Their loyalty to the nascent nation born out of a conservative movement to uphold the status quo ultimately brought them into new areas of work civic activism and courtship rituals After the war young women drew from their wartime experiences as youths in constructing their own female imagery in the Lost Cause mythology that stood apart from the typical older maternal figure What emerges from their experiences is the creation of a transformative female identity that bridged the cultural gap between the antebellum and postbellum periods paving the way for the emergence of a new understanding of southern womanhood in the New South era A generational approach allows readers to take a more in depth look at the transitional nature of wartime and its long term effects on women s self

perceptions While many studies of southern women tend to lump teenage daughters with the older generation of women this examination singles them out as a unique group whose experiences made a significant contribution to the new woman in the New South This study therefore will serve as a useful tool to students and teachers of southern women s history providing a new perspective on the female experience and the changing ideas of womanhood that war produces The detailed account of teenage daughters and their wartime activities and relationships will also appeal to a more general readership interested in Civil War history *General James Longstreet* Jeffry D. Wert,1994-12 Argues that Longstreet was unfairly blamed for the defeat at Gettysburg *The Dolphin Book Shop Book Sale Catalogs* Dolphin Book Shop (Nashville),1937 *The World War and Historic Deeds of Valor from Official Records and Illustrations of the United States and Allied Governments* ,1919

Lectures on the Growth and Development of the United States Edwin Wiley,Irving Everett Rines,Albert Bushnell Hart,1916 *Congressional Record* ,1884 *Lee and His Men at Gettysburg* Clifford Dowdey,2011-09-01 In this sweeping account Clifford Dowdey recreates one of the most important battles in U S history With vivid and breathtaking detail *Lee and His Men at Gettysburg* is both a historical work and an honorary ode to the almost fifty thousand soldiers who died at the fields of Pennsylvania Written with an emphasis on the Confederate forces the book captures the brilliance and frustration of a general forced to contend with overwhelming odds and in competent subordinates Dowdey not only presents the facts of war but brings to life the cast of characters that defined this singular moment in American history
