Eater.com among others. While the cookbook includes some traditional potato dishes like gnocchi and shepherd's pie, most recipes are innovative creations that reimagine the world's most popular vegetable. Find it all in *The Potatopia Cookbook* alongside detailed descriptions of potato varieties, potato history, and potato preparation and storage tips. As an added bonus to their popularity, potatoes are naturally gluten-free and, when prepared simply, very nutritious. The result is a hearty, wholesome celebration of all things potato. A culinary journey guided by the simple, often underappreciated tuber.

Foreword Reviews *Mom's Best Recipes Vol. IV* , Step-By-Step Illustrated Instructions and Recipes for Making Lefse

Darlene Sabo Ellefson, 2012-10. I was encouraged to write the first instruction book on making lefse after many people approached me stating they would like to learn to make lefse. I could have made a video but realized a book would be easier to follow and I could reach more people in a book form. About six years ago I did just that. Having sold out on that book, I am now offering this book a second edition. By experimenting with recipes, I can offer more detailed instructions, thus making the steps more explicit in making lefse. This is an instructional book for making lefse, a delicacy that is greatly welcomed by descendants of Norwegian emigrants that settled in many areas of the United States. It has been discovered and enjoyed by other ethnic backgrounds in recent decades. The purpose of such a book is to renew the art of making lefse back in to the families whose grandmothers made it several generations ago. If one hasn't made lefse, a recipe is needed and the procedure must be simple to follow. Such is this step-by-step instruction book. Besides illustrated instructions, this book contains four recipes: two using potatoes, one using potato flakes, and one using mashed potatoes from a previous meal. The potato flake recipe saves the time and toil of preparing the potatoes to a riced consistency, which is the primary product in the dough. The book contains countless tips throughout the instructions. It is indeed a complete guide in making lefse.
