Legacy The Sharing Knife Book:

The Sharing Knife Volume Two Lois McMaster Bujold, 2007-06-26 Fawn Bluefield the clever young farmer girl and Dag Redwing Hickory the seasoned Lakewalker soldier sorcerer have been married all of two hours when they depart her family's farm for Dag's home at Hickory Lake Camp. Having gained a hesitant acceptance from Fawn's family for their unlikely marriage, the couple hopes to find a similar reception among Dag's Lakewalker kin. But their arrival is met with prejudice and suspicion, setting many in the camp against them, including Dag's own mother and brother. A faction of Hickory Lake Camp, denying the literal bond between Dag and Fawn woven in blood in the Lakewalker magical way, even goes so far as to threaten permanent exile for Dag. Before their fate as a couple is decided, however, Dag is called away by an unexpected and viciously magical malice attack on a neighboring hinterland threatening Lakewalkers and farmers both. What his patrol discovers there will not only change Dag and his new bride but will call into question the uneasy relationship between their peoples and may even offer a glimmer of hope for a less divided future. Filled with heroic deeds, wondrous magic, and rich, all too human characters, *The Sharing Knife Legacy* is at once a gripping adventure and a poignant romance from one of the most imaginative and thoughtful writers in fantasy today.

LEGACY Lois McMaster Bujold, 2007 The Sharing Knife: Complete Series Boxed Set Lois McMaster Bujold, 2023-12-04

The fate of their wide green world is balanced on the bone knives of Lakewalker sacrifice, yet all their subtle necromancy must still grow out of lives lived. In this romantic fantasy saga, runaway farm girl Fawn meets Dag, a Lakewalker patroller, and both their lives are abruptly altered, thereby Fawn's own confidence grows as she travels with Dag, learning about the supernatural malice his people fight. More mundane malice from unaccepting families puts them both on a much longer road, one that will take them to the edge of their world and back. But not alone; their dangerous travels bring them extraordinary companions: Lakewalker Farmer and Caught between. All learn from each other through peril and mystery as all their lives are enlarged. The most important thing about quests, Dag decided, was not in finding what you went looking for but in finding what you never could have imagined before you ventured forth. This boxed set of the four-part novel includes the bonus sequel novella *Knife Children* and a new introduction by Lois McMaster Bujold.
