

The Legal Writing Sample

The legal writing sample is an integral part of the hiring process for lawyers. Here are tips for preparing the best sample of your legal writing skills.

Length of the Sample

The writing sample should be five to ten pages in length, unless otherwise indicated by a particular employer. If you have selected a longer sample, you can provide an excerpt from the sample and add a cover page that provides the appropriate context, as described below. An excerpt should include at least one complete argument, so that the reviewer can see how you marshal facts, law and analysis in your writing.

Factors Important to Legal Employers

Legal recruiters, employers and professors have identified the factors listed below as most significant to them when reviewing a writing sample. Keep these comments in mind so you can choose a sample that best meets these requirements.

- Evidence of the ability to effectively advocate in writing (e.g., Did you successfully persuade the reader?)
- Legal analysis and the proper use of citations to support your position (Did you effectively articulate legal issues and bring the law/analysis to bear?)
- Overall organization of thoughts, including transitions and the use of headings, thorough research, and the clear, concise communication of ideas
- Proper grammar, punctuation, sentence and paragraph structure
- Free from typographical errors, neatly typed on quality white paper and in a readable format
- Recent writing, which reflects your current legal writing ability

Mitchell Hamline Faculty Suggestions

Mitchell Hamline School of Law faculty has made the following suggestions regarding specific papers that reflect what legal employers would want to see. *Note: if the complete document will exceed the 5-10 page recommended length, see the discussion below on selecting an excerpt and attaching a cover page.*

First-Year Student Samples

- Complete motion practice memorandum (Lawyering, Spring Semester)
- Complete office memorandum (Lawyering, Fall Semester)

Second & Third-Year Student Samples

- Final appellate brief (Advocacy)
- Moot Court or competition memoranda of law or brief
- Bench memorandum for a judge
- Practical, persuasive legal writing from work or clinic experience (*Note: See confidentiality section below*)
- Published work (your name as author) or your long paper, if they are examples of persuasive writing

Avoid These Document Samples

- Two-page brief - too short, doesn't demonstrate enough of your writing ability for evaluation purposes
- Law review or other scholarly work - not an accurate representation of your work because of the extensive editing by others and production over a long period of time.
