Rush Revere and the First Patriots Rush Limbaugh, 2014-03-11 Substitute middle school history teacher Rush Revere takes his students back in time to eighteenth century Boston to experience the start of the American Revolution as it happens

Rush Revere and the Brave Pilgrims and Rush Revere and the First Patriots Rush Limbaugh, 2020-11-03 A compendium of the first two books in the New York Times bestselling Rush Revere series the perfect gift for young history buffs from America's #1 radio talk show host Rush Limbaugh Meet Rush Limbaugh's really good pal Rush Revere Okay okay my name's really Rusty but my friends call me Rush Revere because I've always been the #1 fan of the coolest colonial dude ever Paul Revere Talk about a rock star this guy wanted to protect young America so badly he rode through those bumpy cobblestone streets warning everyone that the British are coming On a horse Top of his lungs Wind blowing rain streaming Well you get the picture But what if you could get the real picture by actually going back in time and seeing with your own eyes how our great country came to be and meeting the very people who made it all happen Hold on to your pointy triangle hats because you can with me as your tour guide across time First we'll join a shipload of brave families journeying on the Mayflower in 1620 Then we'll head to Boston in 1765 as cries for revolution are growing louder and louder With plenty of fascinating facts and thrilling action these books are perfect for exceptional young patriots just like you *How to Navigate Life* Belle Liang, PhD, Timothy Klein, LCSW, 2022-08-02 An essential guide to tackling what students families and educators can do now to cut through stress and performance pressure and find a path to purpose Today's college bound kids are stressed anxious and navigating demands in their lives unimaginable to a previous generation They're performance machines hitting the benchmarks they're supposed to in order to reach the next tier of a relentless ladder Then their mental and physical exhaustion carries over right into first jobs What have traditionally been considered the best years of life have become the beaten down years of life Belle Liang and Timothy Klein devote their careers both to counseling individual students and to cutting through the daily pressures to show a better way a framework and set of questions to find kids true north what really turns them on in life and how to harness the core qualities that reveal allowing them to choose a course of study a college and a career Even the gentlest parents and teachers tend to play into pervasive societal pressure for students to PERFORM And when we take the foot off the gas we beg the kids to just figure out what their PASSION is Neither is a recipe for mental or physical health or ironically for performance or passion *How to Navigate Life* shows that successful human beings instead tap into their PURPOSE the why behind the what and how Best of all purpose is a completely translatable quality to every aspect of life from first jobs to last jobs and everything in between **The Sociology of Childhood and Youth in Canada** Xiaobei Chen, Rebecca Raby, Patrizia Albanese, 2017-12-12 The sociology of childhood and youth has sparked international interest in recent years and yet a reader highlighting Canadian work in this field has been long overdue Filling this gap in the literature *The Sociology of Childhood and Youth in Canada* brings together cutting edge

Canadian scholarship in this important and growing discipline Thought provoking and timely this edited collection explores a breadth of essential topics including research on and with children and youth the social construction of childhood and youth intersecting identities and citizenship rights and social engagement With a focus on social justice the contributing authors critically examine various sites of inequality in the lives of children and young people such as gender sexuality colonialism race class and disability Encouraging further development of Canadian scholarship in the sociology of childhood and youth this unique collection ensures that young people s voices are heard by involving them in the research process Pedagogical supports including learning objectives study questions suggested research assignments and a comprehensive glossary make this volume an invaluable resource for students of childhood and youth studies in Canada **Strange Natures** Kent H.

Redford, William M. Adams, 2021-06-22 A groundbreaking examination of the implications of synthetic biology for biodiversity conservation Nature almost everywhere survives on human terms The distinction between what is natural and what is human made which has informed conservation for centuries has become blurred When scientists can reshape genes more or less at will what does it mean to conserve nature The tools of synthetic biology are changing the way we answer that question Gene editing technology is already transforming the agriculture and biotechnology industries What happens if synthetic biology is also used in conservation to control invasive species fight wildlife disease or even bring extinct species back from the dead Conservation scientist Kent Redford and geographer Bill Adams turn to synthetic biology ecological restoration political ecology and de extinction studies and propose a thoroughly innovative vision for protecting nature **Creating**
