The literature of Finland is bilingual with lively and extensive traditions in both Finnish and Swedish This history covers both literary traditions in detail The volume's first section on Finnish language literature consists of a series of connected chapters by leading authorities within the field It opens with a consideration of the folk literature in Finnish that flourished during the

Middle Ages and then examines the more recent history of Finnish language literature with special emphasis placed on writings from the nineteenth and twentieth centuries The second part of the book provides an examination of Finland s Swedish language literature from the late fifteenth century through the early nineteenth century Subsequent chapters trace developments in Finland s Swedish language literature during the nineteenth and twentieth centuries A survey of children s literature from both the Finnish and Swedish language traditions concludes this exceptionally thorough volume *Suomen kirjallisuus* ,1924 *Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971* New York Public Library. French naturalism with examinations of unexplored areas of the founding father's project and legacy In addition to offering essays on Zola's lesser known naturalist contemporaries the volume extends the investigation of the naturalist literary current to include areas of Europe outside France as well as the Americas and Asia tracking its persistence in various forms through the twentieth century and into the twenty first The authors pay particular attention to the ways naturalism was conceived and then received including in other channels undergoing transformations in new social conditions and creating other versions of the basic precepts This work features multidisciplinary and comparative approaches to the study of naturalism paying tribute to Anna Gural Migdal a Professor of French Literature and Film Studies at the University of Alberta in Canada who specializes in the visual aspect of Zola's Rougon Macquart novels and the transfer of these strategies to naturalist film She has been a leader in the field of Zola and naturalism in her role as president of the AIZEN for almost fifteen of its twenty years of existence
