

LEICA MANUAL

has been used by photographers everywhere. It follows an easy, professional and the photographer you follow the instructions of this manual. It is a book of the photographer's book, useful, ready-made paper, with pictures and many more information.

Here's what some of the experts say...

"... the standard source book in the subject... fully packed with practical information on every phase of single photography... a must for the serious Leica photographer... this book can help photographers to reach and master the high technical standards demanded of today's picture taker."

Jack Dorian, *Photograph* like
The New York Times

"The editors and publishers of this volume, long distinguished themselves, are well equipped to produce the most reliable and authoritative photographic literature."

Popular Photography

"I can hardly visualize Leica owners operating without it... no matter how much they think they know already."

Ralph Kramis, *News*
New York Institute of Photography

"... it is so well illustrated and by the authors that it is a rare and a guide for anyone interested in photography."

The Boston Globe

"... a thoroughly useful book for the photographer's library... whether the reader wishes to learn the Leica's other features, or just to learn the basics."

Photographic Society of America

"... the essential part of the photographer's book of reference... a book of a single camera system."

The British Journal of Photography
