Medical Bloopers 2017 Day-To-Day Calendar Andrews McMeel Publishing, 2016      *Medical Bloopers Accord* Publishing, 2010      2018 Medical Calendar Journal Edward Smith, 2017-09-15 A calendar unlike no other calendar that you ve ever seen before Yes it still keeps you aware of the days date and the month but this calendar offers so so so much more You ve got to see it to believe it demonstration video on YouTube search for the title      2020 Medical Calendar Journal Edward J. Smith, 2019-10-13 Why are we here Unlike your computer where your personal information can be hacked or shared here your information is stored in your own personal Medical Calendar Journal where only you have control For medical purposes we re here to explain the importance of this product for saving your life So what you re viewing started out as a regular calendar redesigned for use as a journal Personally its creator needed a secure place for storing his own medical records along with other information s A secure place whereas he could reach back to any year month date or time and retrieve any of his recorded information whenever needed Somewhere to store every hospital visit doctor s name appointment or ache that d pained him We re speaking of Edward J Smith as he s the creator of this yearly Medical Calendar Journal First we thank you for offering your time with this visit Our thoughts are with you and our hopes are that this product does for you what the calendars before it has helped others with This year s design is the eighth in its group reaching back to 2013 It d been on a night back in 2007 that its creator needed emergency services Upon arrival paramedics found themselves kicking in his door to gain entry into his home Once inside they d found Mr Smith straddled across his basements floor unable to get up by himself or even call for help And what was worst was that he d been prescribed thirteen different medications When paramedics asked was he taking medications because of seizures Mr Smith couldn t respond But eventually he d been taken to a hospital where he d stayed for nearly a week It was during these times back in 2007 that his dreams of wanting some way of storing his own medical records had started taking shape as one idea was leading to others It d taken Mr Smith six years before finally turning his first calendar into a medical journal and proving his dreams was achievable Since then because his creation had worked so well for his own medical purposes it d allowed the name and copyrights to form along with the product Now every New Year brings Mr Smith stumbling with excitement while getting his next calendars out to market And just in case emergency personnel or a sudden visit to a hospital needs this information the names of the owner s medications are stored inside Record every time you take a pill and which pills are taken Your daily weight hospital visits doctor s names and visits appointment dates and times aches surgery etc Everything about your medical life is viewed as needing recording for future purposes and this Medical Calendar Journal is not a computer So upon recognizing what he d created Mr Smith realized the many ways his calendar had helped him When home he keeps his medical information within sight of emergency personnel in case it s needed For sudden trips to hospitals or appointments with his doctors his records are always alongside him And usually something s always happened that his doctor s should

know about so whenever needed he's able to look back to view his saved records It was on a day that Mr Smith was visiting with his own doctor that his selfish way of thinking opened up to led him down this path He'd been sitting and preparing questions to ask his doctor concerning problems that he'd recorded At that point it'd occurred to him how well his own personal Medical Calendar Journals had been helping him in such unimaginable ways How many others can use this method of record keeping in their lives he'd thought So speaking as someone who's experiencing their own medical problems on a daily basis Mr Smith had not just created this method of record keeping but he's designed this yearly calendar from his own experiences So if there's anyone in your life who you feel could use this product then it'll work wonders for them too **Med Student At Your Cervix - Undated Daily Planner** BuJo Heaven,2019-09-18 Funny Nursing Medical Humor 12 Month Daily Calendar Planner 1 Year Daily Weekly Organizer for Business Home and Office TIME TO GET ORGANIZED Our new Undated Daily 12 Month Planner features whole month pages at the beginning of each month to overview calendars and then there are weekly pages for day to day planning Monday to Sunday It makes it very easy to see all that is going on in the week and plan and organize your daily agendas Each page spread featured as cute floral banner at the top The layout is simple and clear THIS GORGEOUS UNDATED PLANNER FEATURES Size Perfectly Sized at 8x10 inches Premium Matte Cover Pages 149 Printed on high quality interior stock with floral printed banner design on each page 2019 and 2020 Calendars 12 Month Undated Calendar Monthly Spreads with Notes Section Year Overview Spread Undated Weekly Daily Spreads for 7 days of the week Budget Planner page at the beginning of each month to sort out your income expenses and savings Month outline sections for you to set your monthly goals and set your main priorities Bujo Heaven are pleased to offer this cute birthday gift note pad in various cover styles please take a look through our Amazon store by clicking on our brand name at the top We also have many different unique novelty gift notepads journals planners guest books diaries coloring books and sketch books for all family members for many occasions
