2015 A Practical and Easy Emergency Preparedness Handbook Rebecca Louderman, 2012. This handbook is a practical approach to providing for yourself your family in the event of the unthinkable. A recent survey showed over 75% of Americans fear the U S economy will fall. No less the man made and natural disasters that looms over our heads daily in the event of a catastrophe what does the future look like for you and your family. Watch your local news you can actually see it unfold. Riots looting home invasions fire set a blaze food is scarce crime goes through the roof. There is little to no work this is just the beginning of the chaos to follow. After spending thousands of dollars unnecessarily years of research trying to find answers it became apparent people need an easy to follow informative book. This handbook will help guide you through the process which can be daunting to say the least. I have compiled useful information actual Web Sites books I found helpful equipment you will need much more. Good luck to you all.
