Academic, Peer Reviewed Open Access Journal

RESEARCH

...a journal, which is peer-reviewed and open access, covering all aspects of neurology and neuroscience. It publishes reviews, regular research papers, communications, case reports and interesting images. There is no restriction on the maximum length of the papers. Our aim is to encourage authors to publish their experimental and theoretical research in as much detail as possible. Full experimental and/or methodological details must be provided for research articles. Electronic files or software regarding the full details of calculations and experimental procedure can be deposited as supplementary material, if not possible, to publish them.
